Bylaw Naming Dates For Holding Nominations and Election Passed

Grant of \$50. Made Santa Claus Parade — Council Meets Again December 15

A bylaw naming Monday, December 31st at 8 p.m., as the date for holding nominations and Monday, January 7th, 1952, as the date for the election (if required) was given its several readings and passed by Council at the regular monthly meeting held in the Council Chambers on Monday evening. Reeve Wells was in the chair and Councillors West, Rogers and Montgomery were present.

Clerk Mallory submitted a report from Councillor Wm. Montgomery, chairman of the Streets Committee, on sidewalk construction, showing 1480 square feet built for \$646.80 or approximately \$1.39 per square yard.

The Clerk also reported that \$663.07 had been received from the County of Hastings, being 25% rebate on the 1951 County road levy.

Harry Francis waited upon Council in the interests of the Business Men's Association which was sponsoring the Santa Claus Parade. The usual grant of \$50.00 was made by Council.

The matter of the purchase of a new power mower for use in the Cemetery was left for the new Council to deal with.

Owing to the shortage of steel Council decided to order two 20-foot length culverts, with two couplings from the Roofers' Supply Co., with delivery in February.

Councillor West reported a number of trees on village streets that should be cut and the members will make a tour in the near future to determine which trees will go under the axe.

Bylaw No. 544 to raise \$15,000 by debenture for construction of a new Hydro Sub Station was given its final reading.

The following accounts were ordered paid:

Roofers' Supply, \$33.00; Hatton Hardware, \$16.70; H. Jones, \$25.40; J. O. Hamilton, \$19.52; Bill's Garage, 75c; Bill's Garage, \$3.15; Thos. A. Kerr, \$8.00; Stirling Welding Shop, \$4.75; Hugh McMullen, \$5.00; J. E. O'Donnell, \$8.00; Bell Telephone, \$9.25; Stirling Lumber, \$2.24; Hatton Hardware, \$9.55; J. C. Nearly one hundred attended with rifles present from Marmora, Burnbrae, Menie and Campbellford. Mr. Earl Finch, of Rylstone, shot the highest score of the day. Refreshments were served by the local ladies.

St. Andrew's Club

The regular meeting of St. Andrew's Club took place on Monday night in the Church Parlours with the President, James Johnston, officiating.

The hymn, "While Shepherds Watched Their Flocks By Night," was sung, followed by a prayer by Rev. W. H. V. Walker. The minutes of the last meeting were read and adopted, and other business was discussed.

Mr. Walker announced that Major Honeychurch of the Salvation Army, Belleville, along with a few friends would be speaking at the Candlelight Service to be held on Sunday December 16th at 7.30 p.m.

Several readings and talks were given and the meeting closed with the hymn, "Hark The Herald Angels Sing" and the benediction by Rev. Walker.

Attended Presbytery

Rev. W. H. V. Walker and Mrs. Harry Thompson attended the meeting of the Kingston Presbytery, which was held in Belleville last Tuesday.

Presented With Portrait In Charcoal

At the regular meeting of the Rotary Club on Tuesday evening Reeve H. J. Wells was presented with a life-size (head and shoulders) portrait, done in charcoal by the Canadian artist, E. C. Reid, of Norval, Ont. The presentation was made by Mr. Geo. Hosang, representative of the Cities Service Oil Company, sponsors of the programme "Ontario Marches On" over CFRB on Monday, Wednesday and Friday evenings, and was in connection with Monday evening's programme, on which Stirling was featured.

Mr. Reid, who was also present, delivered a very interesting address on his work among delinquent boys.

Advent Season Opens At St. Paul's

The Season of the Advent began last Sunday in the Christian Church. The approach of the Festival of Christmas will be marked by Carol and special praise, candlelight services, dramatic presentations and special celebrations of the Lord's Supper.

At St. Paul's last Sunday morning Anderson's seasonal story of the "Poor Little Match Girl" was told to the boys and girls. Miss Janet Ann Good sang, "Sleep Holy Babe" clearly and sweetly.

The "Herald of John the Baptist" and the "Annunciation" were dramatized at the evening service. Mr. Gordon Bailey ably took the difficult role of Zacharias standing before an altar of gold in candlelight from silver and brass lamps while the scent of burning incense rose from the altar. Mrs. J. L. Good again graciously personified the Angel Gabriel in shimmering white with glistening wings, while Miss Verna Brown represented the Virgin Mary and revealed a rare appreciation of the situation as she sang the Magnificat. Always excellent was Mrs. R. A. Patterson who represented "Elizabeth," mother of John the Baptist.

Mrs. Walter Warren, Festival Gold Medalist, sang with beautiful ethereal effects the quaint Christmas lullaby, "Ninna Nanna." St. Paul's Choir introduced two uncommon old English Carols and sang with fine expression the anthem entitled "Angel Gabriel" as a prelude to the "Annunciation."

Dr. Ralph W. Vandervoort ably took the narrator's lines which were from the Gospel of St. Luke. Mr. Maurice Bell graciously provided the "P.A." system and Messrs Glen and Don Pittman operated the multi-colored spotlight.

Many visitors were welcomed at this service which began with congregational carols led by Mr. R. A. Patterson with Mrs. Baker and Miss Verna Brown at the organ and piano providing the instrumental accompaniments. Sunday School teachers represented the "neighbours of Elizabeth." Mr. Geo. Carlisle expressed on behalf of the Session thanks to all who participated or helped to plan and carry out the service.

Fragrant Christmas trees flanked the pulpit area and a third one stood in the entrance vestibule. These were graciously provided by Mr. W. T. Elliott and were set up by Mr. Arthur Morrison. A lithographed service order was issued to each worshipper.

F. W. Houchin Re-elected President Stirling Branch Canadian Legion

Almost the full membership of Stirling Branch No. 228, Canadian Legion, attended the largest and most enthusiastic meeting of the year, and the occasion of the annual meeting and election of officers for 1952, held in the Legion Room on Tuesday, December 4th.

Several applications for membership were received, and notice of a full dress debate at the next business meeting in January, on the new by-laws, which will be presented at that time for ratification, was given. All members were urged to be present to take part in this important business.

At this point, with the year's work brought up to date, the President presented his report. This was in part, as follows:

"In submitting the following report of the affairs of this Branch for the past year, may I first state the three items of policy towards which are endeavours have been directed.

(1) To maintain prestige
(2) Improve our financial standing.
(3) Be ready and able to serve primarily the ex-service man and his family in an emergency, and secondly the community in general.

These three things to my mind are basic, and justify our existence.

As to the first — prestige, or our good name — I believe our activities during the year have done us no harm in this regard. The public have given us their support and their confidence more than once, and this is something we should prize very highly. It is to be hoped that no words or actions of ours will do anything to lessen this confidence.

Secondly I am happy to say our financial position is sound, and considerably improved. Our ventures for adding to our various funds have all showed a profit, and the Treasurer will shortly give us the details.

Thirdly, there is the service we have been able to give. As the need arose, we have been able to respond quickly with financial assistance, and the sum of over \$70.00 has been disbursed in this cause. In this connection we must try to boost the Poppy Fund in the coming years, as never before, since it is from this source that the emergency assistance is drawn. I have asked the chairman of the Poppy

Other Aldermen elected were J. McNevin, C. Tice, C. Hyde, R. Temple, Bruce Smith and W. Argue, while McLean Haig defeated J. Allan in the mayoralty race.

Honoured By The Community At Springbrook Hall

A large crowd of friends and relatives of Mr. and Mrs. Roy Brown met in the hall on Wednesday evening to honour them prior to their departure for their new home at Peterboro.

Rev. H. E. Beare was chairman for a short programme consisting of musical selections by the orchestra under the leadership of Phil Beaudrie; readings by Mrs. Carman Sine, Mrs. Wm. Heath and Mrs. George Williams; piano duet by Marlene and Ronald Hadley; vocal duet by Linda and Sandra Meiklejohn.

At this time an address was read to Mr. and Mrs. Brown by Gordon Bailey and Burton Bateman made the presentation of a purse of money from the community.

On behalf of the patrons of Harold Cheese Co. W. J. Tanner, Harold, presented Mr. and Mrs. Brown with a generous cheque. Mr. Ralph Wellman read an address from Springbrook L.O.O.F., No. 429, and Phil Beaudrie presented Roy with a lovely pen and pencil set from the lodge.

Mr. and Mrs. Brown each thanked their friends in a few well chosen words expressing regret at leaving Rawdon Township, but owing to ill health had found it necessary to make the change.

Rev. Beare then called up Mr. Geo. Pollard, of Stirling, Dairy Instructor for the district, who gave a short address which was interesting to all present. Lunch was served and the remainder of the evening spent in dancing.

Postmaster Asks Your Co-operation

F. W. Houchin, local Postmaster, asks the co-operation of local and district business firms in withholding large mailing of calendars, catalogues and Third Class matter during the Christmas rush period. In former years valuable assistance has been afforded the Post Office in this way and if business firms will consent once again to postpone mailing large quantities of printed matter from December 10th, until after Christmas Day, it would be considerable help in handling the Christmas mail.

Business firms, and the public generally, will greatly assist the Post Office in mail handling, and will help ensure speedy delivery at all times, and at Christmas in particular, if they will post their letters and greeting cards tied in bundles.

Patrons on Rural Routes are particularly asked to have all letters and cards stamped before leaving in box for collection. Stamps should be ordered and purchased from the mail couriers.

Fifty Years of Missionary Activity At Mount Pleasant, Rawdon, W.M.S.

(By Florence M. MacMullen)
Press Secretary Since Union

On Wednesday evening, November 28th at Mount Pleasant Rawdon United Church fifty years of Missionary activities in this community was commemorated without the traditional birthday cake and entertaining other Societies, as has been the custom of past years on other anniversaries.

The West Huntingdon United Church Choir of over twenty voices under the direction of their leader, Mrs. William Grant presented their Sacred Cantata, "The Rolling Seasons," composed by Caleb Simper. Mrs. Morley Clarke, A.T.C.M., gave excellent piano accompaniment throughout the presentation. The choir was assisted by Mr. Don Richardson, Thomasburg; Mrs. Arthur Hassall and Miss Margaret Haggerty, of St. Andrew's Presbyterian Choir and the Pastor, Rev. Clarke.

The choir of mixed voices rendered choruses, solos, trios, quartettes and the beauty of reverence was carried throughout the various selections.

"Fear not, O Lord be glad and rejoice," "They that trust in the Lord shall be as Mount Zion," "Before Jehovah's awful throne," "Praise waiteth for Thee," "O Thou that hearest prayer," "Onward ever onward," "Symphony," "Thou makest the earth soft with showers," "The King of love my shepherd is," and in closing, "Thou crownest the year with Thy goodness."

The Pastor of the Church and Mrs. Ross Hoard, President of the W.M.S. both extended thanks and appreciation to the choir for their fine rendition.

History of The Organization

Rev. R. R. Bonsteel gave a brief synopsis of the Missionary activities down through the years which he had prepared from previous reports compiled in 1938 by the late Mr. Allan Bailey and in 1950 by Mrs. Percy MacMullen. He told how Mrs. Levi Massey, district organizer for Methodist W.M.S. was responsible for a circuit organization on September 30th, 1897.

Later the ladies at Mount Pleasant decided to have their own organization and Mrs. Massey organized this group in June 1901 with Mrs. James Williams as President; Mrs. Frank Potts, Recording Secretary; Mrs. Frank Williams, Treasurer, and ten charter members as follows, Mrs. Daniel Johnson, Mrs. Nancy McConnell, Mrs. Rueben Hoard, Mrs. Allan Bailey, Miss Phronia MacDonald, Mrs. Will Johnson and her daughter, Miss Lottie Johnson. These ten ladies have all passed on to their reward but their works still follow them.

Mrs. James Williams served as President for the first ten years and the meetings were held in the church as that was a central place. Each year Mrs. Williams with her assistants canvassed every home in the community and that took several afternoons in the horse and buggy days. Any lady giving one dollar had her name placed on the membership roll and lesser amounts were written down as contributions. The year in Methodist days

began May 1st.

Every fall Mrs. Williams arranged a concert at the church, half sacred and half secular. She chose selections for the school pupils to sing and recite and paid a visit to each school teacher soliciting assistance. (The writer well remembers the thrill of the first piece which she recited at the age of seven entitled, "The Little Dog Under The Wagon." The selection chosen by Mrs. Williams and still in Mrs. MacMullen's possession.)

In September 1901 a bride came to Mount Pleasant and she joined the Society that autumn so Mrs. George Weaver has been a member almost all of the fifty years. She helped canvass in those early days, then served as President three years 1926-28 and has been a life member since 1927 and a valued help to the Society with her generous contributions of time, talents and money.

Mrs. Allan Bailey served as second President from 1911-1916, five years, and she too knew the hardships that accompany a small organization to promote Missions. True, more women were becoming interested in the organization but the house to house canvass was made and the fall concerts were more of a sacred nature.

In 1912 the W.M.S. ladies offered ardent prayer for a Mission Circle Leader and Mrs. Robert Pounder guided that group of nine girls for six years. The meetings were held in the homes and as money was scarce those days the girls pieced quilt blocks twice yearly and these Mrs. Pounder made into quilts for sale and the proceeds were used for Circle work. Mrs. Pounder also made her large patch of rhubarb available to the girls to sell at ten cents a basket and thought up various other ways of raising money for Missions. One year the girls sold names for an autograph quilt which had been pieced by Mrs. Daniel Johnson and quilted by W.M.S. women.

The writer earned the quilt and over twenty dollars which made herself and another girl life members of the Mission Circle.

In 1915 the Mission Circle and the Epworth League staged a three-act play and a variety concert at the Church and realized almost fifty dollars which was equally divided by two interested men of the community, Messrs. Gilbert Smith and Manson McConnell. These men now both deceased were always willing to assist the Circle and Epworth League at any time.

Mrs. Bailey became a life member in 1927 and was active in the work all through the years until her death in 1950. Her memory is still with us.

The third President, Mrs. John Reid was unable to be in attendance at this 50th Anniversary. She served five years from 1916-1921. Sacred concerts were held each autumn to raise money for Missions. Mrs. Thomas McKeown who now resides in Springbrook served two years as the fourth President and a series of ten cent teas were held to raise funds. She also served another year as President in 1930 and was honoured last year at the June

celebration.

Mrs. John Holmes became a life member in 1926 and she served the last year, 1924 as President of the Methodist group and in 1925 as the first President of Union and another couple of years in 1948 and 1949. She is now Honorary President and the Pastor regretted her absence from this gathering. He read a list of the Presidents not specially mentioned previously which are Mrs. Ross Hoard, a total of four years; Mrs. F. G. Joblin, two years; Mrs. Percy MacMullen, seven consecutive years; Mrs. T. F. Townsend, three and one-half years, and Mrs. MacMullen completed her last half year; one year terms for Mrs. Arthur Phillips, Mrs. Wilbert Jeffs and Mrs. Roy Thrasher.

There have been a total of thirteen different presidents in the fifty years. The Pastor also paid tribute to those faithful members who have never acted as president but who have given good service to the organization throughout the years.

Life Members

The six life members have each contributed their own twenty-five dollars with the exception of the latter who had that honour bestowed on her at Odessa this year. They are as follows:

1920, Mrs. Frank Jeffs; 1926, Mrs. John Holmes; 1927, Mrs. George Weaver; 1942, Mrs. Ross Hoard; 1947, Mrs. Percy MacMullen; 1951, Mrs. Charles Bonsteel.

There are eighteen annual paid members but Mrs. Arthur Phillips moved to Belleville and only attended one meeting in 1951. The allocation for the W.M.S., Mission Band and Baby Band is \$260.00 for 1951 which is the highest allocation since Union, but all realize that when the value of the Canadian dollar dropped to a new low it was necessary to raise more funds for repairs to buildings, continued hospital work, etc. Previous to depression days the allocations ranged from three hundred to four hundred dollars and there has only been a very few times during the fifty years that the allocation hasn't been met and exceeded. One of the traditions down through the years has been to remit all money to the Presbyterian Treasurer at the close of the year and none was ever left over. The Society has been richly blessed despite the fact they have always been few in numbers. Since depression days the Society adopted the rule of systematic giving by envelope and only on special occasions do they stage anything extra as a money-making profit. Last year in June a special celebration of 25 years of Union was held at the Church under the direction of Mrs. Roy Thrasher and the group were able to exceed their allocation of \$255.00 by \$25.60. The Dominion Board had asked each Auxiliary to try to exceed with one dollar for every year of Union and a large number of Auxiliaries in Canada responded to the appeal. A silver collection was taken at this special celebration in June 1950.

The Fortieth Anniversary was celebrated at the Church in 1941 in the afternoon with a Memorial Service for twenty-two deceased members. The 45th Anniversary was held at the Church Hall in the evening on November 20th, 1946, with Mr. Kenneth Stewart as guest speaker. Over one hundred and fifty people attended each of these gatherings.

Mr. Mack was a constant source of advice and guidance in administration of town affairs. His memory was remarkable for every development in town history, touching on finances, by-laws and anything which passed through the town office.

He was a charter member of the Rotary Club, serving as president and on many committees, and maintaining his interest actively despite failing health. His lodge affiliation was with the I.O.O.F. and he had held office as Past Grand of the local lodge.

Throughout his lifetime he was deeply religious, and in the early years was a leader in the Methodist Church and active in choral work. After Church Union, his activities were continued in the United Church. He was honored with every office in the church organizations, and represented High River Presbytery on occasion at national and provincial assemblies. Recognition of his devotion to church work came to him in many ways, and when the new United Church was dedicated a year ago, Mr. Mack was chosen as the veteran member of the congregation to lay the corner stone.

Mr. Mack's outstanding hobby and recreation was gardening, and his home property was one of the beauty spots of High River, with its profusion of flowers and artistic planning. His desire to make the town clean and attractive was demonstrated in the leadership which he gave to Horticultural groups and to the Town Planning Board of the twenties. Few lives have been so constructively and continuously associated with the progress of the town as that of Mr. Mack.

Funeral services were held from the Highwood Memorial Centre on Tuesday, November 27th at 2:30 p.m. with Rev. J. Sorochan conducting the service, assisted by Rev. Dwight Powell. Arrangements were in charge of the Snodgrass Funeral Home, and interment was in the family plot at Highwood Cemetery. —The High River Times, Alberta.

G. E. Mack Dies

At High River, Alta.

George Edmond Mack, who served High River, Alberta, as secretary-treasurer almost since the town's incorporation, died on the evening of November 24th at the age of 84 years. He had been in failing health for some time, the condition growing more acute in the past few months. Prior to his retirement in 1946 his life had been interwoven in the history of the town, and he was more familiar with its business progress and settlement than almost any other individual.

He is survived by his wife and two sons, Ted, of Claresholm, Alberta, and Harry, of Trail, B.C. He was predeceased by two sons, Will and Earl and a daughter Leah.

Born at Wellman's Corners, Ontario, Mr. Mack was engaged in farming in early manhood, and also gained business experience as manager of a general store. In 1905 the family came west to High River and for a short time he was employed with the Ferguson and Keeler store.

Shortly after his coming to High River his interest in civic affairs was expressed in his election to the office of councillor, and he resigned from that office to become secretary-treasurer of the town in the spring of 1909. He continued in this capacity for a number of years, and the only break in his long period of service occurred in the early twenties when he joined the staff of Lineham Lumber Co. and later the Skov Lumber Co. as bookkeeper. However, he was persuaded in about 1924 to return to the secretaryship of the town, continuing this post until his retirement in 1946.

This background of experience, together with natural ability, brought him recognition throughout the province, as one of the best informed men in Alberta on questions of civic administration. The personnel of the council changed from time to time, but Mr. Mack was a constant source of advice and guidance in administration of town affairs. His memory was remarkable for every development in town history, touching on finances, by-laws and anything which passed through the town office.

He was a charter member of the Rotary Club, serving as president and on many committees, and maintaining his interest actively despite failing health. His lodge affiliation was with the I.O.O.F. and he had held office as Past Grand of the local lodge.

a Little buys a Lot of telephone service

COMPARE THESE PRICE INCREASES DURING THE PAST TEN YEARS

It's one of today's best buys—growing in value all the time.

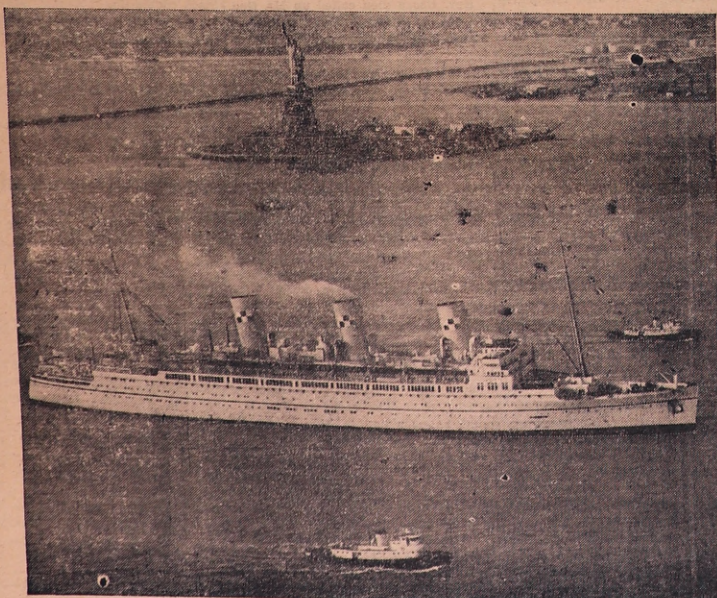

For one thing—it's cost hasn't gone up as much as most other things you buy. Your telephone is one item that takes less of your budget than it used to.

Again—it's bigger value than ever because now you can talk to twice as many people as you could ten years ago—and more families are getting telephones every day.

In addition—we've been able to keep on steadily improving the quality of this traditionally friendly and helpful service.

If you haven't yet got service—we want you to know we're working at it. You can be sure your place on the list is being protected and your telephone will be installed just as quickly as possible.

Hello Homemakers! The custom of sending Christmas cards dates back to the reign of Queen Anne. During the past half century, however, this custom has become universal. It has become a time-consuming job for the homemaker who has the festive meal to plan and prepare and the house to decorate and so many extras. The big problem is the ever-growing list with some deletions and many changes of address. (Seems to us that the office index system is a must in the home of today.) It will save you precious time if you buy a package of 3 x 5 inch cards and write one name and address on each. Then interest someone (the teenager or grandma) to arrange the cards alphabetically. These will be convenient for changes of address as the cards arrive and a double check as to whether your greeting has been mailed.

REQUESTED RECIPES

Individual Puddings

- 2 cups brown sugar
- 2 cups hot water
- ½ cup shortening
- 1 cup raisins
- 2 cups sifted flour
- 1 tsp. soda
- ½ tsp. salt
- 1 tsp. cinnamon
- ½ tsp. cloves
- ½ tsp. nutmeg
- 1 cup glazed cherries
- 1 cup chopped dates
- ½ cup oatmeal

Combine sugar, water, shortening and raisins and cook for 5 mins. Cool. Sift the dry ingredients into a bowl and add cherries, dates, nuts and oatmeal, then stir in the sugar mixture. Fill greased custard cups 2-3's full. Bake in electric oven of 325 degs. for about 1 hour. Serve hot or cold with hard sauce. Makes 10 servings.

TAKE A TIP

1. To whip cream, use cream that is 24 hours old, thoroughly chilled and thick. Pour cream into a chilled bowl and beat rapidly until thick. Too long or slowly beaten causes fat to separate. (You may use evaporated milk that has been partially frozen before beating.)
2. To make a soft icing coating for eclairs, melt fondant candy in a double boiler and pour over cool cakes placed on wax paper.
3. To bake fluffy potatoes, scrape the skins well, pierce two or three times with a fork and rub well with bacon fat. Bake in a shallow pan in a moderate oven for 1 hour and 20 mins.
4. To make fine, dry crumbs of sliced

County Constable Fatally Injured At Northbrook

Fatally injured when struck by a car as he attempted to assist a motorist stalled by the side of the highway, County Constable A. M. "Monte" Wood, 59, of Northbrook, died Saturday morning in Belleville General Hospital.

The accident occurred about 4:15 a.m. Saturday, four miles north of Northbrook on highway No. 41.

Robert Wise had stalled his truck and Wood had stopped to assist. The lights of an approaching car were seen through the dense fog and Wood realizing the truck door was open stepped onto the highway to close it when he was struck by the car driven by George Hawley, of Northbrook. He was hurled 20 feet by the impact.

St. Paul's Baby Band Christmas Party

On Thursday afternoon, November 29th, the leaders of St. Paul's United Church Baby Band staged a Christmas party in the Sunday School Rooms for the babies and their mothers.

Eleven mothers and seventeen children attended the party; also a few grandmothers and several members of St. Paul's W.M.S. The leaders had mailed out forty invitations and they have over sixty babies' names on the roll. The leader, Mrs. Sid Demorest, conducted the worship service which included the singing of "Praise Him,

All Ye Little Children." The assistant leader, Mrs. Harold West, presided at the piano and she also constructed the central decoration. This was a lighted church covered with glittering snow and surrounded with Santa and his reindeer. All was enclosed with a picket fence and inside each corner was a small Christmas tree ornament. This decoration was placed on a table covered with a linen cloth and during the service each child came to the front and placed their mite box on the table and the older children also carried up those of the wee babies. Mrs. Demorest read the story of the pictures on the mite boxes. Mrs. John B. Thompson and Mrs. Mabel Megginson counted the contents which was around nineteen dollars and pasted the tops ready for another collection. The leaders plan to make house to house calls to gather in the other boxes before Christmas. All sang a Christmas hymn, "Away In A Manger," and some of the older children assisted with the programme.

In the graduation service from Baby Band to Mission Band five certificates were given out as follows: Robert Paul Luery, William Clarence West, Barbara Chambers, Robert Maurice Bell and Brenda Adeline Stewart.

A collection was taken to help defray expenses and this was gathered by Master Herbie Demorest and amounted to over two dollars.

The guests were seated in a circle and the small children occupied kindergarten chairs. All were given Santa serviettes and an appetizing lunch of sandwiches and cookies was served by the two leaders assisted by Mrs. Roy Duffin. There was a glass of milk for the children and tea for the mothers. Several members of the W.M.S. furnished lunch for this party even though they didn't attend.

The children in the River Valley district whose parents are members of St. Paul's are now enrolled in the River Valley Band which was organized in December 1950, so they will have their own contribution to send to Presbyterial. Mrs. Earl Bailey assisted the leaders in the kitchen.

At the close Mrs. Maurice Bell extended a vote of thanks to Mrs. Demorest and Mrs. West for the delightful party. The remaining cookies and sandwiches were served to the Junior Choir at the close of their practice in the auditorium of the Church, and they enjoyed the treat.

er must have had supernatural powers of divination for she guessed the correct name "Samantha." She very generously donated the doll to be auctioned off and so a most gratifying sum was realized from this item. Mrs. Ralph Smith became the possessor and some wee girl will be mighty happy come Christmas morning.

Across the platform had been strung a wire for better displaying the quilts in charge of Mrs. Lorne Wellman. This year the quilts were especially beautiful, five being shown for sale. There

was an applique tulip quilt on white and a Dresden plate on yellow. Mrs. I. Snell, of Bowmanville, wife of a former pastor had presented the W.A. with the worked blocks for an applique pansy quilt, this had been completed by the group and the beautiful work was much admired.

Toys on the mantel and filled stockings at the fireplace left no doubt that ment of toys at the toy display in charge of Mrs. Ralph Smith and Mrs. Ed. Emerson. Here were plucky elephants and squirrels, felt giraffes and pinto ponies and even Randy Rooster in felt. There were knitted Santa Clauses and Boston bull dogs, cute dolls in a complete crocheted outfit, painted spoons and tin can sets for even the youngest member of the family.

Last but by no means least, was a table convened by Miss Nora Wellman, proceeds of which were to go to the Mission Band. Nora had a very attractive table with an excellent assortment of candy, pop corn, dressed dolls, doll cradles, knitted doll suits, artificial flowers, in fact a miscellaneous selection which proved very popular.

Well the third annual bazaar is over and the ladies all feel that it has been well worth all the time and effort expended to make it a success. Thanks to all who encouraged us by their interest as displayed by their attendance and patronage of the various tables. Thanks are also due to the President, Mrs. Wellman, and the various convenors, all of whom have worked very hard to make this bazaar such a huge success.

NEWS FOR THE BUSY FARMER

BEAVER AGAIN CAUSING PROBLEMS

With many lakes and streams still free of ice, beaver are busy strengthening their dams. Conservation Officers are equally busy trying to discourage them, at least where farmlands and timber stands are endangered. It is a little ironic that only a few years ago every effort was being made to protect the little furbearers, whereas now the appeal is for protection against the beaver.

Trappers operating under a Special Beaver License will have a longer season to remove the annual harvest and at the same time take care of any nuisance colonies. The revised open season is December 1st to April 15th.

LOST DOGS REPORTED TO CONSERVATION OFFICERS

The usual aftermath of the deer hunt is the lost dog problem and 1951 promises to be no exception. 50 to 75 dogs are reported as lost in the Quinte District every year and a number of inquiries have already been received at the Tweed headquarters. Oddly enough, the majority of dogs found by Conservation Officers are of little value and are seldom claimed by owners.

Among infractions recently investigated by local officers, was the apprehension of two men hunting with deer licenses "borrowed" from friends. A severe penalty usually goes with a conviction for this offence, and it is much smarter and more sportsmanlike to abide by the rules.

A PROMISING WINTER APPLE FOR COMMERCIAL PRODUCTION

The Sandow apple tree, which fruited for the first time in 1911 and was derived from an open-pollinated seedling of Northern Spy, has only recently come into prominence. The tree originated in the Division of Horticulture, Department of Agriculture, where it was developed by W. T. Macoun, former chief of the division.

It takes forty years to develop and fully evaluate a new variety. For this reason it is only within relatively recent years that Sandow has been at-

tracting the attention of commercial apple growers. This variety has become popular because the tree is harder than Northern Spy, comes into bearing earlier, and thus is more productive in the early life of the orchard. The fruit of this variety is superior to that of Northern Spy in appearance and equal in quality.

During the past fruiting season when scab infection was severe, several commercial growers found that it was easier to control scab on Sandow than on Northern Spy and McIntosh.

The Sandow variety is recommended for commercial planting in the St. John River district of New Brunswick, in southern Ontario from Sarnia to Toronto and in the Lake Ontario region from Toronto to Belleville.

APPLY FOR MORE SCOTCH PINE NEXT SPRING

According to Zone Forester, W. E. Edwards, inspections of planting sites for next spring's reforestation, are about completed. Most of the applicants have been contacted personally and planting methods and choice of species, discussed.

The only noticeable change in tree applications this year is the increase in number of Scotch Pine, presumably for Christmas tree plantations.

The Zone Forester has also commented on the number of requests for advice on woodlot management. This service is only too willingly given and usually means profits and continuous yields for interested owners. Describing a visit to McGarvey Bros. woodlot on the east shore of Collins Lake, in Frontenac County, Mr. Edwards stated that the virgin bush, chiefly Hemlock, Maple and Beech, is being harvested systematically. The first step undertaken by the owners is the removal of still merchantable windfalls and dead trees.

What Others Say!

LESSON OF THE CIGARETTE TAX

Cigarettes in Ontario cost 42 cents for a package of 20, and 25 cents of the 42 cents is Federal tax. This puts the

smoker in the role of the celebrated goose that laid the golden eggs.

But there is evidence that the smoker is tired of the role thrust upon him by the tax-collectors. Consumption of Canadian cigarettes is down, and so are the tax revenues from this source. So too is the business of retailers and so is employment in the tobacco industry.

It may be, though, that there has not been a decrease in the use of cigarettes. Some have been forced by high prices to roll their own, (the tax-collector still catches them, if not so profitably.) But much more disturbing to the Dominion powers is the fact that the smuggling of cigarettes from the United States has become Big Business. They are coming over the border by the truck load and in the millions, and for every American-made cigarette smoked in Canada the Government loses more than one cent in revenue. It is bootlegging on a large scale, and the disparity between prices on the two sides of the line provides a handsome margin of profit and has developed a flourishing trade along the border and in the larger cities.

The Government may learn something from this. No good citizen likes to see the law flouted, but perhaps it is well the Minister of Finance should be made aware of the fact that there is a point in taxation where even the most peaceful Canadian will revolt — Ottawa Journal.

TALK IS NO LONGER CHEAP

Talk, it used to be said, is cheap. The man who coined that maxim lived in the days before the Canadian Broadcasting Corporation was invented. For, in a typical year of operation, 50.7 per cent of the CBC's radio time is devoted to talking. Since the CBC now costs around \$14 million a year to operate, that comes to about \$7 million for words alone.

It is a strange coincidence that the proposed parliamentary grant of \$6,250,000 a year, purpose of which is to keep the CBC out of financial difficulties, should so nearly approximate the amount of time and money spent by the state-owned radio system on talk. Taxpayers who wonder why taxes are so high can comfort themselves with the knowledge that one of the factors in their tax bills is what it costs to finance some thousands of hours of pure, unadulterated talk each year over the national network.

Inflation, it seems, has even sent the cost of talk soaring. —Napanee Express.

Edward Meagher Read, Killed When Rifle Discharged

Accidentally shot by a .22 rifle which discharged as he was taking it off a sleighload of cedar posts, Edward Meagher, 38, of Read, 5th Concession of Tyendinaga Township, died almost instantly late Friday afternoon.

Meagher, with a younger brother, Allen, aged 22, had been to the bush to cut cedar posts and had taken along their guns. The accident occurred as they were on their way home. The bullet entered the man's chest and severed the aorta artery and death occurred within minutes as result of internal bleeding. There will be no inquest.

The Paper Boy

Circulation Managers of newspapers say it is getting harder and harder to find carrier boys and keep them on the job.

This is a most disturbing bit of news. What will the banks and the big corporations do for presidents and board chairmen in the year 2000 if the crop of newspaper carrier boys withers away now? Where will the country turn for elder statesmen? How can there be big shots if they cannot refer to the time when they ran a paper route?

The answer could be that if young people and older people in Canada refuse to do the common tasks on their climb to greater things, there won't be so many greater things, for them or the country.

134 Annual Meeting Bank of Montreal

While forecasting a "brilliant long-range future" for Canada, B. C. Gardner, president of the Bank of Montreal, sees a continuance of difficult economic problems facing the nation and emphasizes that "it would be very dangerous to conclude that the battle against inflation has been won."

Speaking to B of M shareholders at their 134th annual meeting in Montreal on December 3rd, Mr. Gardner found encouragement in Canada's current monetary policies which were resulting in a "healthier and more realistic interest-rate structure, with the price of money once again beginning to exercise its traditional stabilizing function as a stimulus to saving and a brake of excessive expansion."

Warning that the possibility of further inflation was still "very real," the president traced both the short and long-term factors which threaten Canada's monetary stability.

Inflationary Factors
Mr. Gardner saw an immediate inflationary threat in the necessity of putting an increasing proportion of Canada's national output into defence and industrial expansion with a consequent decrease of production for civilian consumption. A widening of the disparity between spending power and available consumer goods might result.

The long-term forces tending to undermine the value of the dollar were more deeply rooted, he stated. Among them he included: the political unpopularity of anti-inflationary policies;

severe taxation which might encourage the wage-price spiral; and shorter working hours at a time of heavy demand on the collective efforts of the population.

Looking at the positive side, Mr. Gardner stressed the need of a "great re-emphasis" on the value of saving as a stabilizing force. If savings failed to keep abreast of output going into capital production, inflationary pressures had no result. What was needed was to make saving worthwhile, to pay capital a "living wage."

General Manager's Address
Gordon R. Ball, general manager, presented the balance sheet, showing total year-end assets of \$2,222,000 as against \$2,190,000,000 in 1950. The number of deposit accounts reached a new record figure — 1,873,519 — and deposits at \$2,085,000,000 were up by \$22,000,000. Current loans and discounts in Canada totalled \$558 million, compared with \$480 millions a year earlier.

Reviewing the present "transitional period," Mr. Ball stated that more Canadians are employed today, at a higher income, than ever before. The delays in getting the defence program underway had, he felt, helped Canadians "gain a march" in forestalling scarcities of consumer goods that might otherwise have developed. More important, they were "rapidly extending the industrial foundations not only of a larger rearmament effort but also of a greater Canada in the years to come."

Warmly appreciative of "the loyal, devoted and efficient service" of the B of M staff, Mr. Ball said the past year was one of great activity in all departments of the bank. He added that the welfare of the staff, now over 10,000 was constantly under consideration, and that the bank had endeavored to help solve their cost-of-living problems by the payment of monthly bonuses which were subject to review every six months.

1959 Mrs. John Mulherson, as Band Leader forwarded to the Presbyterian Treasurer \$50.55 and that was the largest amount ever remitted, as usually it is around \$35.00. The Mission Band sells Christmas Cards to augment their funds. Mrs. Herbert Smith

is their leader.

Baby Band

The Pastor outlined the organization of Mount Pleasant Baby Band in 1942 with Eileen MacMullen (now Mrs. Sidner Demorest, Stirling) as leader and Mrs. Cyrus Summers assistant. There were seventeen members enrolled the first year and over five dollars remitted to Presbyterian. Mrs. Sid Demorest again took over this department on her return from Newmarket and carried on until she moved to Stirling; after which her mother again served as leader and in 1948 the sum of twenty-two dollars was remitted and that has been the highest contribution towards the allocation. Mrs. Frank Spencer Jr. is the leader in charge of Baby Band work.

The District Convention was held at Mount Pleasant just previous to Union and two sectional rallies have been held since on September 28th, 1953 and in October, 1945.

Rev. R. R. Bonsteel paid tribute to the grand work accomplished by this small group of women throughout the fifty years and said the W.M.S. had given strength to the Church as a whole and their services would never be forgotten. He commended the members for their endeavours in trying to carry on the great task laid down by those pioneer women who led the crusade for Missions in this community in days of yore.

There were sixteen W.M.S. members in attendance. Mrs. Ross Hoard, Mrs. Roy Thrasher, Mrs. Percy MacMullen, Mrs. Frank Smith, Mrs. Ross Jeffs, Mrs. Kenneth Weaver, Mrs. Will Potts, Mrs. Herbert Smith, Mrs. Gordon Linn, Mrs. Frank Jeffs, Mrs. Raymond McConnell, Mrs. Burton Sharp, Miss Ruth Linn, Mrs. George Weaver, Mrs. Milford Wrightman and Mrs. Charles Bonsteel.

The West Huntingdon group were served sandwiches, cookies, tarts, pickles and coffee by the W.M.S. members and Rev. Morley Clarke expressed appreciation on their behalf for hospitality.

May we repeat in closing this press report, the words of the late Mrs. Allan Bailey who said in 1938: "We are proud of our Society and its achievements throughout the years, but our aim is to do much better work in the years ahead, and our ideal will never be reached until every woman member of the church is also an active member in the Woman's Missionary Society."

really is, a collection of books, is the result of the labour of scholars who with the authority of the Church collected the many writings together and decided which would make up the Bible as we have it today. For devotional reading much of the Scripture can be read as it is, but for study and true understanding, a good commentary is a necessity. To begin one's reading a prayer should be said. The collect for the second Sunday in Advent is a good prayer to use.

"Blessed Lord who has caused all Holy Scriptures to be written for our learning, grant that we may in such wise hear them, read, mark, learn, and inwardly digest them, that by patience and comfort of thy Holy Word, we may embrace and ever hold fast the blessed hope of everlasting life, which thou hast given us in our Saviour Jesus Christ."

E. B. Finkle Retires As Secretary-Treasurer After Nineteen Years of Service

A most enthusiastic and well-attended annual meeting of the Hastings County Cheese Producers Association took place in Stirling Community Hall on Tuesday afternoon.

President W. E. Bateman, of Tweed, and the Secretary-Treasurer, E. B. Finkle, Hallway, were in charge of the meeting with over two hundred and fifty producers in attendance.

Chas. Harkness, Speaker

Dairy Commissioner

E. M. Biggs, of Toronto, newly appointed Dairy Commissioner also spoke briefly and paid tribute to the Marketing Board for the splendid job they had done for the producer. He also suggested a dairy improvement campaign might be of advantage to the producers at this particular time.

Chas. Heath, of Belleville, secretary-manager of the Ontario Cheese Producers, gave a full report of the year's activities, which climaxed in the opening of the new \$300,000 cheese storage warehouse at Belleville. It was the first warehouse of its type in Ontario built specifically for the storage of cheese and has a storage capacity of nearly 60,000 boxes of cheese.

Other speakers included Roscoe Robson, M.P.P. Hastings East; Geo. Pollard, local Cheese Instructor; E. J. Pyar, Past President of the Cheese Producers; Philip Carr, President of the Belleville Cheese Exchange, and Cheese Instructors John Wilkinson and Wm. Moore, all of whom eulogized the Marketing Board for the splendid work accomplished in the past year.

The election of officers resulted in the re-election of the 1951 officers with the exception of E. B. Finkle, who resigned after holding the office of secretary-treasurer since the association was formed some nineteen years ago. Mr. Berson Mitts, of Hallway, was elected to fill the vacancy.

The officers are President, W. E. Bateman; Vice-Pres., James Nickle; Secretary-Treasurer, Berson Mitts; Directors, Sam Nicholson, Cecil Ketcheson, Earl Whitman, J. Morrison, Morley Hagerty, Harry Coulter, John Bell, Alan Ketcheson and James Moore.

Car Damaged By Hit and Run Driver

Approximately \$500 damage resulted to a car driven by Ronald Henry, of Marmora, when it was hit by a truck owned by the Stanley Brooks Electrical Co. of Ottawa, on Saturday night. The truck was also considerably damaged.

The accident occurred about two miles south of Stirling on Highway No. 33 opposite Glen Morrow's residence, when the truck allegedly driven by Michael Coe, of Trenton, veered across the road and was in collision with the car. The Henry vehicle was tipped onto its side on the highway shoulder while the truck sped away with a passing motorist Farley Parnell, of Stirling, in chase.

Parnell said he followed the truck to Stirling then south on No. 14 Highway to Chatterton where he lost the truck. Later the truck was found abandoned on No. 33 Highway north of Frankford about a mile south of the scene of the accident.

Some time later Coe walked into the Trenton police station and gave himself up.

He has been charged by Provincial Police with dangerous driving, careless driving and with leaving the scene of an accident. No one was injured in the accident.

ESCAPES INJURY WHEN SCAFFOLD FALLS AT THEATRE

Ivan Eggleton, an employee of Maurice Bell, local painter and decorator, miraculously escaped serious injury on Friday morning last when a section of scaffolding on which he was standing at the local theatre collapsed throwing him and the planking some twenty feet to the seats below. He sustained multiple bruises but was able to resume work the following day.

At the time of the accident Eggleton, Don Myers, a fellow employee, and M. Bell, their employer, were painting a section of the theatre ceiling. Feeling the scaffold sway Mr. Bell shouted a warning and he and Myers were able to scramble to safety in time to avoid falling. Mr. Bell suffered a badly bruised leg when hit by some planking.

An Appeal To Ontario's Moderate Drinkers

You think you can "take it or leave it alone!" Here's a splendid opportunity for you to test yourself!

I quote from the Toronto Globe & Mail of December 5th, 1951:

"A 52-year-old laborer who had been drinking heavily for a week is held today on a charge of murder. Joseph Nicinski is accused of killing his 47-year-old wife, Loaja, yesterday, in the kitchen of their modest home at 204 Indian Grove.

The woman's body was found by the couple's 10-year-old son, Joey, when he arrived home from school. His frantic screams as he tried to arouse the body under the kitchen sink alarmed neighbours in the area.

He ran to the telephone and tried to call a relative, but was unable to make the connection. He then dashed into the street, still screaming hysterically. . . . The boy said of his experience afterward: "It was awful, I thought she was asleep. I couldn't wake her. Then I just wanted to run and run!"

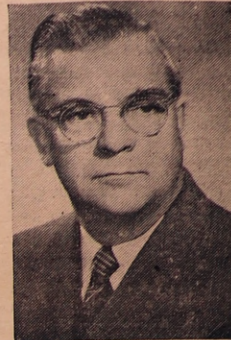

Poor little Joey — Just ONE MORE INNOCENT VICTIM of the Liquor Trade, WHOSE CUSTOMER YOU ARE! Poor little Joey — only 10 years old!

It is useless to appeal to habitual drinkers — they can't help them-

selves! It is useless to appeal to the Liquor Manufacturers and Sellers — nothing would move them! After all, if little Jokeys (10 year olds!) get in the way of grown-ups who are conducting a legalised highly-profitable business, IT'S JUST TOO BAD FOR LITTLE JOEY! But I do appeal to you, a "moderate" drinker, whose dollars help maintain the "Trade." Doesn't your conscience bother you just a little when you read this story? And other tragic "liquor stories" are all too frequent!

Why not cease, immediately, to be a "moderate" drinker? Why not refuse, this Christmas season, to touch the stuff? Why not cancel your order for Christmas liquor, if already placed? Why not say, "Never again — for the sake of poor little Joey — only 10 years old?"

S.S. Concert

The annual Christmas Concert at St. Paul's will be held to-morrow night, Friday, December 14th. All parents and friends of children should be present to support the Sunday School and to encourage the children.

Canadian Indians

The United Church of Canada has 53 Indian Missions in Canada. It ministers to 17,400 Indians. In co-operation with the Dominion Government it operates 32 Indian Day Schools and 10 residential schools with an enrollment of 2,500 pupils. In British Columbia the United Church maintains 4 hospitals which care for Indian patients. This work is sustained by gifts to the Missionary and Maintenance Fund the red pocket in the weekly contribution envelope.

White Gifts

Next Sunday morning at St. Paul's and at Carmel in the afternoon "White Gifts for the King" will be received. Every worshipper from the youngest to the eldest is expected to bring a parcel to be placed on the altar when the White Gift processional hymn is sung.

Good clean clothing, even if used as well as books, toys, canned goods or other non perishables to provide "Christmas Cheer" for the needy should be brought. Then too cash is needed. Please place in your special envelope a gift of money. After providing for our "shut ins" all surplus cash gifts will go to our "Hearing Aid Fund," and all gifts of goods to needy orphans.

My Church

It is important that each member have a conscience as a personal shareholder in the church of Jesus Christ. The "Father's Business" will only pay dividends as each member is about the "Father's Business." It is a responsibility for the "one" as well as the "more" than one "talent member." What kind of a church would my church be if every member were just like me?

Are You A Member

Membership is recorded (1) By a profession of faith i.e. belief in Jesus Christ; (2) by a letter of transfer from the church where your membership was recorded before you moved to this parish; (3) by adult Baptism; (4)

By Confirmation.

The United Church of Canada recognizes membership in any established branch of the Christian Church as a credential for membership.

Every life needs an altar and every home a church home. No one needs to be and no one should be either a heathen or a church tramp in Canada.

Spirit of the living God,

Fall fresh on me;

Break me, melt me,

Mould me, fill me —

Spirit of the living God

Fall fresh on me.

"To all who are weary and need rest, to all who mourn and need comfort, to all who are lonely and need friendship, to all who are complacent and need disturbing, to all who sin and need a Saviour, to all who are glad and need to serve their fellowmen the Christian Church opens wide its door and bids you welcome."

\$200 Increase

The recommendation of the Official Board of St. Paul's approved by the Stewards of Carmel was also approved by St. Paul's Stewards at a meeting held last Monday by which the allowance to the Minister for operating a motor car was increased by \$200 per year as from January 1st, 1951. This decision by the St. Paul's-Carmel Charge is greatly appreciated by the Minister and brings this Pastoral Charge in line with the standard approved by the General Council of the Church for 1951.

Glen Ross School

This school has a fine clean cement walk from the entrance gate to the school entrance. Between the road and the entrance gate one really requires a pair of "seven league boots" as the mud is deep and well churned. We are sure the road builders and road menders of Sidney can find some gravel to correct this situation. A clean approach will mean a cleaner school.

Advent Praise

Lovely Adventide praise marked the dramatic presentation of the Nativity at St. Paul's last Sunday evening. Mr. Jack Bush sang the enchanting "Gesu Bambino" and Miss Ruth Donnan sang sweetly the Polish lullaby Carol, "Infant Holy." The Choir introduced another uncommon Carol "Sweet Baby Sleep" and the quaint French Noel, "Sleep of the Infant Jesus." The singing was glorious in Handel's Angel's Chorus from the Messiah.

At the morning service the Royal Choir sang Wesley's ever lovely "Lead Me Lord" and the Senior Choir the

pre-Communion Anthem "God So Loved the World," by Stainer. The male quartet Messrs. Harry Brown, Jack Bush, Mr. Aylsworth and R. A. Patterson made a heart stirring interpretation of "Jesus Outside the Door."

The Sacrament of the Lord's Supper was observed at both St. Paul's and Carmel. A reception service welcomed Mr. and Mrs. Frank Stone to St. Paul's Church.

S.S. No. 24, Sidney

It was our privilege to visit this school last week where it was a delight to find twenty-five well mannered and devoted pupils under the interested and experienced care of Miss Gertrude Gunter.

There is a fascinating group of pupils here who deserve the best equipment. Many of the seats are antiquated. May we make a plea to the School Board, on our own, for new desks especially some large ones for the boys and girls of this "cod liver oil age" who have long arms, legs and backs.

This school could also do with a real paint job and face lifting. For such a fine teacher and such promising pupil material the best is not too good.

The Nativity

A large congregation listened with wrapt interest to the dramatic presentation of the Nativity according to St. Matthew and St. Luke. The parts were well taken and generally revealed an improvement over last year's production. Herod was well represented by Geo. Carlisle; the Angels by Mrs. Albert Wells and Mrs. W. T. Elliott; the Wisemen were Messrs. Francis Jeffrey, H. Wells, W. T. Elliott; the Shepherds Messrs. Roy Tucker, Jack Bush and Thomas Wells. The role of Joseph was taken by X. P. Mayhew. Mrs. Donald Tucker with her lovely boy Wayne was winsome as Mary. The baby and his mother were the subjects of many pleasing comments. Mr. Wm. Wilkins clear diction was heard as narrator and Messrs. Glen Belcour and Donald Pitman operated the lantern. Plans are already in mind for improvements in 1952.

St. Paul's Choir

The Annual Christmas service to be presented next Sunday gives promise of a feast of Christmastide Praise. The congregational Carols led by R. A. Patterson will be followed by choral numbers including "Let us now go even unto Bethlehem;" "While Shepherds watched their flocks;" "O Thou that tellest;" "Messiah;" "Lullaby of the bells;" "Jesus is born," a Bohemian Carol and the "Hallelujah Chorus,"

Band will hold their Christmas meeting at the Church on Sunday morning after Sunday School and they hope all the children will attend.

The Y.P.U. under the direction of Miss Ruth Linn are holding their Christmas party at the Church Hall on Friday evening.

On Sunday afternoon at Mount Pleasant United Church Miss Carol Sharp sang "Away In A Manger."

Several folk attended "The Nativity" and Carol Service at St. Paul's United Church, Stirling, on Sunday evening.

On Friday your correspondent received a picture of the former Baptist Church from Dr. Harry W. Mack, of Detroit, Michigan, who took the picture in 1921 while visiting in Canada. Standing in front of the church is his father, Rev. Wilson Mack, and his brother, Mr. Percy Mack, who also were visiting Canada and Mr. Wm. Henry Scott and sons Murney and Clarence of Mount Pleasant.

As a young man Wilson Mack had

charge of the singing and later as a Minister he preached his first sermon in this church. The late Nehemiah Hubble and his first wife, the former Cinderella Hinds, donated the site for this church and the deed is dated November 19th, 1870. The trustees were Messrs. Reuben Hubble, Silas Sine, Frederick Sine, Allen Sine, Henry White and David Mack. We presume the church was erected in the early summer of 1871. It was dedicated "The Regular Baptist Church of Rawdon," but it was more often termed, "Hubble Hill Baptist Church."

The first service was held before completion when temporary seats were arranged with plank for the funeral of a Mr. A. Chard, of Chard's Bridge. The interment was the first made in the Hubble Hill Cemetery nearby.

Mr. Mack referred to several recent items of news which he has enjoyed reading in this column, as he is a subscriber to the News-Argus. He is busy compiling the family history of his ancestors.

STILL CARRYING KITCHEN INSURANCE ONLY . . . ?

Many folks have enough insurance to cover the furniture in their kitchen only, leaving no coverage on the rest of their belongings. How about you?

E. D. Ketcheson

GENERAL INSURANCE, LIFE AND REAL ESTATE
PHONE 632 STIRLING

Hello Homemakers: Although there are many complete decorative items in the stores, some folks like to make their own because of the fun involved. One idea you can copy is a miniature Christmas tree for the front window or door. You will need a wire coat hanger, 15-inch piece of 12-inch chicken wire, about 40 sprigs of spruce, green string, 2 yards of tinsel or tinfoil strips and a few novelties. Now bend the hanger into a fir tree shape, using the handle as a base. Cover frame firmly with chicken wire. Begin the tree by using three short sprigs to form the peak; then use two long sprigs one on either side to form the two longest boughs. Now fill in the tree, slightly overlapping each sprig. Secure any loose pieces with sticky tape and hang from the window catch or a door knocker. You are now ready to trim the tree with tinsel, star and ornaments.

TAKE A TIP

1. Keep holly where it's cool until decorations are being arranged.
2. Never arrange fir boughs over the mantle if the fireplace is to be used for heating.
3. Put lighted candles in a place where a draught will not carry the flame to curtains or other materials.
4. Tie red or green ribbon in bows for dressing up boughs, tiny reindeer, flower vases, serviette rings and such.
5. Make the plate of sliced Christmas

Cake festive by tucking a sprig of holly and a few cranberries in the centre.

6. A candle with a sprig of green tucked in the holder and placed on the tea or coffee tray brings out the shine on the china and silver.
7. Christmas seals stuck on tumblers or goblets will remain during the holiday season when edges are varnished with clear nail polish.
8. An old favourite decoration is popcorn balls tied in coloured cellophane. Or, use red or green food colouring to give a variety. Hang the balls on the tree.

River Valley W.I. Christmas Party

On Thursday, December 6th Mrs. Gerald Brooks was hostess for the Christmas meeting of River Valley W.I. The rooms were decorated with wreaths, festoons, pine cones and a lighted Christmas tree which gave a distinctive seasonal air to the meeting.

There were over thirty members and several visitors in attendance and these included Mrs. Kenneth Green and Mrs. M. Pulver, Rednersville, and Mrs. Gordon Green, Bethel; also a dozen or more children under school age.

The President, Mrs. Don Donohoe, conducted the opening devotional with Mrs. Ralph Utman presiding at the piano. Mrs. J. L. Donohoe gave a full financial report of the receipts and expenditures of the recent dance and card party and the Institute finances are in good shape for this term.

Letters were read from the Provincial Director, Miss Anna P. Lewis; and a booklet of interest was displayed. Mrs. Ed. Heasman reported for her committee. Mrs. J. L. Donohoe and Mrs. Percy Utman were appointed to price chairs and find out where the best purchase could be made.

Plans were made for another euchre party at the school Friday evening and the purchase of a receptacle for coffee making. Mrs. Ed. Kent reminded that Blue Cross dues should be paid at the bank at once.

Mrs. Roy Bush was appointed to order the magazine "The County Women of the World." This will be studied in preparation for the 1953 Convention in Canada. Mrs. Kenneth Green, President of Rednersville W.I. brought greetings. Mrs. Ross Bush read correspondence from C.J.B.Q. and spoke of the social evening to be held in February.

Mrs. Percy MacMullen and Mrs. S. McIntosh were appointed a committee to carry out some work in January. The January meeting will be held on the third at the home of Mrs. Claude Tucker. The guest speaker will be Mr.

Frank Stone, Assistant Agricultural Representative, and the subject will be "Up-To-Date Gardening News." Any folks interested in Trenton Memorial Hospital are asked to bring a jar of home canned food to this meeting.

The Christmas programme was in charge of Mrs. Jack Donohoe and several Christmas Carols interspersed the readings. These were led by Mrs. Geo. Heasman. Mrs. Hugh Jones read, "Christmas Spirit That Lasts All Through The Year." Mrs. Sheldon McIntosh read "The Christmas on a Dime," which pointed out that Christmas never falls those who believe in it.

Mrs. Ernest Carr read "The Day After Christmas" and a humorous number by Mrs. Bob Philip, "Learning To Drive." Miss Cheryl Utman sang, "Bring Back My Kitty To Me."

The rendition of "Jingle Bells" ushered in the children's tiny tree planted in a tub and surrounded with gifts. As the names were called each child drew a gift and the parcels revealed coloring books, balloons, toys etc.

Mrs. Ed. Heasman was in charge of the adult Christmas pie and arranged the gifts beneath the lighted tree, behind a red and white background. As the membership roll was called the members drew their gift and then the visitors had their turn. There were lovely glass bowls, pyrex dishes, fancy soap, aprons, stationery and a host of lovely articles.

Mrs. Harold Morgan extended thanks for hospitality, programme and refreshments and after the collection the National Anthem was sung.

The refreshments consisted of sandwiches, pickles, celery, olives, a variety of cookies, imported grapes, homemade candy, salted nuts and and coffee.

NEWS FOR THE BUSY FARMER

PESTICIDE USES INCREASING

With the steady increase in the use of insecticides, fungicides, herbicides, and other pest control products in Canada, farmers are better able to control injurious insects than ever before.

In terms of estimated total wholesale value of these products, there was an increase from \$3 million dollars in 1947 to more than 15 million in 1950. The number and variety of pesticides registered with the Plant Products Division, Department of Agriculture, under the Pest Control Products Act, is increasing each year.

Supplementing milder insecticide materials, arsenic, nicotine, pyrethrum and derris, which are still useful, the development of new insecticides during the last ten years has been almost phenomenal. DDT, the most familiarly known, is only one of several of its class, the chlorinated hydrocarbons, which include chlordane, benzene hexachloride (BHC), toxaphene, methoxychlor and aldrin. These could almost be termed general insecticides, considering the wide range of insects they will control, but because of certain factors peculiar to each; the higher toxicity of chlordane, as compared with DDT, the lower toxicity of methoxychlor and the tainting effects of BHC; each calls for its own particular recommendations.

Organic phosphate poisons, such as parathion and TEPP, are highly effective against aphids and mites but recommendations for their use are limited to these classes of insects because of the extreme care necessary in handling these dangerous toxic materials.

In addition to the growing list of new insecticides there are a number of synergists or activators, which, when added to certain insecticides considerably improve their efficiency.

The list of fungicides, of which sulphur and copper preparations were the

principal ones until recently, has been enlarged by the use of new chemicals of the carbonate group and lindane and hexachlorobenzene have been added to the list of seed disinfectants.

AWARDS IN BUTTER QUALITY COMPETITION ANNOUNCED

Canada Packers Limited of Warton was the winner of the Grand Championship Lawrason Shield in the Butter Quality Improvement Competition for the second year in a row. This was announced by an official of the Dairy Branch of the Ontario Department of Agriculture. The competition sponsored by the Ontario Creamery Association, covered the period from May 1st to October 31st, 1951. Canada Packers Limited of Fort Frances was runner-up in this combined competition covering quality, yeast and mould and workmanship.

In the Butter Quality Competition, Canada Packers Limited of Fort Frances won the Grand Championship Roland Johnston Memorial Trophy. This plant manufactured 56,280 pounds of butter with a score of 100% first grade. Four other plants namely Borden Company Ltd., Toronto; Villa Nova Milk Products Co-op, Waterford; Stacey Brothers Ltd., Mitchell, and the Kemptville Creameries, Kemptville, all had a score of 100% first grade butter, but the quantity manufactured was less than the winner. These four plants were runners-up in this competition.

Canada Packers Limited, Fort Frances and Silverwood Dairies Limited, Lindsay, tied for the Yeast and Mould Grand Championship Vegetable Parchment Trophy. Runner-up in the competition was Silverwood Dairies Limited, of Chatham.

The Walker-Wallace Trophy for the Grand Championship in the Workmanship Competition was won by Thom-

son Brothers, of Mildmay, with Canada Packers Limited, of Warton, as runner-up.

Since the Butter Quality Competition started seven years ago, thirteen creameries have made 100% first grade butter during the competition period for one or more years.

Hon. T. L. Kennedy Opens Cheese Warehouse

The Ontario Cheese Producers' Association has given a lead to farmers all over Ontario in the erection of this building, declared Col. the Hon. T. L. Kennedy when he officially opened the Cheese Curing and Storage Warehouse of the Association in Belleville on December 7th. He said that in developing this storage, along with their marketing program the producers had shown they were willing and anxious to do their own job, rather than depend on the Government or others to do it for them.

"The man who works for himself gets things done," he stated, "and this building and the job you have done in marketing your cheese this year is a good demonstration of this fact."

Elaborating on the work being done, Col. Kennedy said this opening did not just represent the building, but the development of an agency and a place to carry on the business of marketing cheese. It represents a place where farmers can prepare their products for market in such a way they will get a better return for their labours.

In conclusion, Col. Kennedy said he was proud to be invited to take part in the ceremonies. The producers had been looking toward such a development for some time and now they had carried it forward to the point where they had something of which they could be most proud.

Official congratulations of this kind were echoed and added by representatives of other governments and farm organizations.

Sir Andrew Jones, Canadian Representative of the British Ministry of Food paid tribute to the Cheese Producers' Marketing Board and their staff for the efficiency with which they had met the contract with the

British Ministry of Food for a minimum of 20 million pounds of cheese. Despite the fact many people thought the contract would never be met, more than 25 million pounds of cheese had been shipped and Sir Andrew felt this was a real achievement. He felt the erection of the building was another great achievement and one which would be a great asset to the producers in marketing their product.

W. E. Cameron, Associate Director of Marketing for the Canada Department of Agriculture, congratulated the producers on behalf of the Department. He said the erection of this building and the marketing activities of the Board exemplified the faith of the producers in the future of their industry.

Congratulations from the Quebec Department of Agriculture were brought to the affair by Roland Camirand, General Inspector of Dairy Products who stated that visits such as this always enabled him to learn from the sister Province, and he felt what he had seen and learned of the building and the organization behind it would be of benefit in his Province.

To these many good wishes were added the congratulations of the Ontario Federation of Agriculture by their Vice-President C. A. Milligan, and by The Hon. W. A. Goodfellow, Ontario Minister of Welfare and a native of Northumberland County.

Previous to the official opening, attended by some 400 people, the City of Belleville and the County of Hastings tendered a luncheon in honour of the Cheese producers.

In acknowledging the many tributes paid the organization, President Charles Harkness stated that the Board had some thanks to render. While they had conceived the idea of the building, its construction would not have been possible without the generous assistance of the Provincial and Federal Departments of Agriculture. At the same time, the marketing operations of the Board could not have been successful without the excellent co-operation of the Cheese Trade, and the British Ministry of Food. For this assistance, and co-operation the Cheese Producers' Marketing Board were grateful and he expressed the hope it would continue in the future.

Tweed Man Wins Woodlot Competition

Prize winners in the Hastings County Woodlot Competition held during the past summer received their awards from County Council on Thursday.

Winner of the competition was Kenneth Jeffrey, R.R. 2, Tweed, who received a certificate and a cash award of \$50.00. Second prize winner, Allan McComb, R.R. 5, Belleville, received a cheque for \$30.00, while the third place winner was Robert Wheeler, of the Tweed district.

Warden Coulter presented the two top winners with their cheques, while Reeve Carman Kleinstuber of Elzevir Township presented Mr. Jeffrey with his certificate. Third place winner, Mr. Wheeler, was not present.

Col. Roscoe Vanderwater, of Foxboro, one of the contest judges expressed his appreciation to County officials for their interest in conservation and for sponsoring the contest. Referring to the woodlots judged, Col. Vanderwater emphasized the importance of keeping these fenced and out of reach of cattle which destroyed the undergrowth necessary to produce young trees.

The competition was sponsored by the County through its agricultural and reforestation committee of which Reeve Kleinstuber is chairman. A total of 27 woodlots were entered with 26 being judged.

New County Home Retains Old Admission Rules

Present rules of admission regarding inmates will be adhered to at the new \$1,200,000 Hastings County home on the Trent Road just outside the Belleville city limits.

This was decided Thursday when the matter was raised in County Council following a report on the County Home by committee chairman Lee Grills, Reeve of Sidney Township.

"I don't want it to be thought that we are trying to keep people out of the home," he stated, "but the fact is, in the true sense, the building is still a house of refuge — a place for people who haven't any place else to go."

Mr. Grills went on to say there had been many requests for admission to the home but reminded the County was not "running a boarding house."

"We must try to get across the idea of the purpose for which the home was built," he said.

DRYOCOPUS PILEATUS (Northern Pileated Woodpecker)

The Pileated Woodpecker is a startling bird. So spectacular is his appearance that he has long been a target for guns in the hands of thoughtless people. As a result he is becoming rare in many sections of Canada.

He should be protected. Besides being highly decorative and the largest Canadian woodpecker, the Pileated is extremely valuable. He destroys millions of wood insects and provides nesting sites for tree-dwelling ducks. Get to know wildlife. Death Claims T. H. Bissonnette

Word was received by friends here of the death of a former Stirling boy, Dr. Thomas Hume Bissonnette on Thursday, November 29th, at Hartford, Conn.

The late Professor Bissonnette was a son of the late Dr. and Mrs. J. Bissonnette, of Stirling, and was a former student of the Stirling High School. He was a veteran of World Wars I and II and for several years he and his family had been spending their summer vacations at Oak Lake. Since 1925 he had been J. Pierpont Morgan Professor of Biology at Trinity College, Hartford, and was considered one of the ranking American scientists. Externally he was an honorary member of Stirling Lodge No. 69, A.F. & A.M.

The funeral took place in Trinity College Chapel, Hartford, on Monday, December 3rd, after which the remains were taken to Springfield for cremation.

Interment will be in Stirling Cemetery some time next summer.

The following eulogy of Professor Bissonnette is taken from The Hartford Courant of December 3rd last.

Trinity College has sustained a great loss in the passing of Professor Thomas Hume Bissonnette, who since 1925 had been J. Pierpont Morgan professor of biology. With the eminence he achieved in research on the effect of light on the growth and development of animals he brought renown to the campus on which a generation of students held him in esteem.

Dr. Bissonnette was one of the ranking American scientists. His many papers on animal breeding and the re-

lation of mating cycles to seasonal influences had for several years secured his reputation for original work. For some years he had been recognized as one of the world's leading authorities on photoperiodicity, his experimentation tending strongly to prove that the pituitary gland is affected by light transmitted by the optic nerve. The bulk of Professor Bissonnette's research was done in his laboratory at Trinity where the cages of weasels, racoons and birds were familiar sights to Trinity students.

Though its halls may be ivied and its campus almost vocal in acclaiming the fame of educational heroes of the past, today's college must be judged by the quality of its faculty — the men and women whose standing in the educational world is the hall-mark of the quality of the institution. When one of its most illustrious figures drops from the ranks of any college faculty the loss is more than personal. The campus is less rich in its fundamental wealth — its scholarship. Thus it is that Trinity College mourns deeply the passing of Dr. Bissonnette. To have had the benefit of his association for a quarter of a century will always be one of the more lasting of its many assets.

CANDLELIGHT SERVICE IMPRESSIVE

A very impressive candlelight ser-
vice, under the auspices of St. An-
drew's Club, was held in St. Andrew's
Presbyterian Church on Sunday last
at 7.30 p.m.

Major Honeychurch, of Belleville
Salvation Army, was the guest speaker
and delivered a very interesting
Christmas message.

The special music included a solo
by Miss Barbara Fargy and Wm. Rey-
olds; duet by Mrs. Roy Eggleton and
Mrs. Chas. Fargy; two anthems by
the Senior Choir and a number by the
Junior Choir. Members of the Bel-
leville Salvation Army also rendered two
instrumental numbers.

The Church was well filled and the
singing was led by a full choir. The
church was artistically decorated with
two Christmas trees, one on either
side of the pulpit, strips of coloured
lights and rows of candles on the win-
dow sills and at the front, and a large
star above the organ, all of which
helped make a very impressive ser-
vice.

The club is to be congratulated and
the President, James Johnston, and
assistants wish to thank all who help-
ed make this service one to be remem-
bered.

White Gift Service

The annual "White Gift Service"
was held in St. Andrew's Presbyterian
Church last Sunday morning under the

the occasion.

The White Gifts were placed at the
altar during the singing of the Hymn,
"The Wise Men Bring Their Learn-
ing," and the prayer of dedication was
given by the Pastor, Rev. W. H. V.
Walker.

The Church was beautifully decorat-
ed with evergreen trees and colored
lights. A large congregation enjoyed a
very helpful service.

Crop Improvement Association Hears Address On Grass Silage

The labor and time saving advantages of grass silage as compared with the former procedure of harvesting farm forage crops was outlined to members of the Hastings Crop Improvement Association at their annual meeting held in Stirling on Thursday. Guest speaker was Thomas Dickenson, manager of the Ottawa Dairy Farm who gave his own personal experiences in the swing to grass silage and the economical advantages that had been noted.

The time and labor saving in putting up grass silage as compared to normal haying procedure were two of the factors which were encouraging farmers to swing away from conventional haying operations. With the grass silage method farmers are not held up for weather and the forage harvest can be completed in approximately one half the time with less than half the labor.

Feeding Advantage

There was also a feeding advantage with grass silage that worked out in dollars and cents saved, according to Mr. Dickenson. He said that any crop,

which stock would eat green could be put into grass silage, but "the better the crop the better the silage."

The feed would not be as good as green but the silo was the best way to handle it. The feed loss as silage would be from five to 15 per cent as compared with a 20 to 40 per cent loss with dry hay.

Popular Mixture

Sweet clover and orchard grass was a popular mixture for grass silage, but the clover should be cut before it reached the bloom stage. Mixtures were better than straight crops.

Mr. Dickenson said the grass crop could be cut with a mower; loaded with a hay loader and cut and blown into the silage with a regular type in-silage cutter.

Fed Silage Daily

Unusual as it may sound, the speaker said the Ottawa Dairy Farm herd of milkers was fed silage only once per day. The silage was augmented by 1.3 pounds of dry hay per cow per day and by feeding of grain correlated to the milk production. The result of this had been increased milk production, and improvement in herd health.

During the morning session of the meeting members discussed field crop projects while in the afternoon J. S. McCrea, chief weed inspector for Eastern Ontario and W. Tanner, County weed inspector, gave reports.

Officers

Murney Reynolds, of Foxboro, was named president of the association for 1952 with Jerry Wringle, Marysville, as immediate past president. Vice-presidents are Irwin McCoy, Marmora, and Arthur Wood, of Stirling, with Harold Chambers as alternate. Secretary-Treasurer is A. O. Dalrymple, of Stirling.

Directors are Jack McAlpine, Maynooth; Harry Foster, Tweed; Charles Trevorton, Plainfield, and W. J. Stewart, Madoc. Thos. Kieley, Tweed, is potato director. Mr. Reynolds and Mr. McCoy were named as delegates to the provincial annual meeting in Toronto.

Marsh Hill Harmony Club

The December meeting of the Marsh Hill Harmony Club was held on Friday night at the home of Mr. and Mrs. John Brown.

The President, Mr. Farley Lindenfield, opened the meeting with the singing of Christmas Carols.

Mr. and Mrs. Allyn Finkle, program convenors, opened the program with the hymn "As With Gladness Men of Old," and the Lord's Prayer in unison. The Scripture Lesson was read by Barbara Brown and Mrs. A. Finkle gave a short explanation of the Scripture Lesson.

Mrs. Elwood Bateman read "Christmas Ruined or Redeemed." Mr. Douglas Detlor favoured with a cornet solo. "No Room," was read by Mrs. Charles Ross. Mrs. Platt, of Belleville, gave a very interesting and educational paper on their trip to the Pacific Coast. Rev. Platt spoke a few words to the Club and closed the meeting with prayer.

Mr. and Mrs. Ralph Tanner, recreational convenors put on a contest and a game.

Refreshments were served by the lunch committee.

W. A. GOODFELLOW HAS HEART ATTACK

Ontario Welfare Minister W. A. Goodfellow suffered a heart attack on Thursday last at his desk in Queen's Park.

Hospital authorities said he was resting comfortably. Overwork and the strain of the recent election were said to have contributed to the seizure.

Mr. Goodfellow's home is in Codrington.

"Ready for Christmas"

Ready for Christmas, she said with a sigh,

As she gave a last touch to the gifts piled high.

Then wearily sat for a moment and read,

Till soon, very soon, she was nodding her head.

Then quietly spoke a voice in her dream,

"Ready for Christmas? What do you mean?"

Ready for Christmas, when only last week

You wouldn't acknowledge your friend on the street.

Ready for Christmas, while holding a grudge?

Perhaps you had better let God be the judge.

Why, how can the Christ-child come and abide

In a heart that is selfish and filled with pride?

Ready for Christmas? You've worked it is true

But just doing things that you wanted to do.

Ready for Christmas? Your circle's too small.

Why you are not ready for Christmas at all.

She woke with a start, and a cry of

There's so little time, and I've still to prepare.

O Father, forgive me, I see what you mean

To be ready means more than a house swept clean.

Yes, more than the giving of gifts and a tree

Its heart swept clean that He wants to see.

A heart that is free from bitterness — sin.

Never a Christmas morning
Never the old year ends;
But someone thinks of some one
Old days, old times old friends.

Mrs. H. Giffin presented the Plan-nel Graph story of the birth of Christ interspersed with Scripture Readings by Mrs. Bartindale, Mrs. Lindenfield and Mrs. L. Finkle and Christmas Carols. "I want to learn to plow," and "the fun of being a Missionary," by Dr. S. Gilchrist, a Missionary in Africa, were read by Mrs. Giffin.

Mrs. Denton, of Belleville, Christian Stewardship Secretary of the Belleville Presbyterian, was present and spoke to the W.M.S. members. Mrs. Denton asked, "Are we wasting our talents or are we using them for God's work?" Are we giving to God's work as we should, all things are God's and only lent to us to use for Him, but are we willing to give Him what is His own to help them.

The carol service from the Monthly was followed with Mrs. F. Finkle, Mrs. A. Tanner, Mrs. L. Finkle, Mrs. B. R. Searles, Mrs. B. Mitts, Mrs. E. B. Finkle, assisting the leader, Mrs. Campbell.

River Valley W.M.A.

The Christmas meeting of the River Valley W.M.A. was held Tuesday, December 11th at the home of Mrs. Gerald Brooks, with 21 members, 5 visitors and 7 children in attendance.

The President, Mrs. Ralph Utman, opened the meeting with a Christmas prayer. Hymn, "Joy To The World," was sung and the Lord's Prayer repeated. The minutes were read and approved. There were 16 calls made and 12 cards reported. The business was dealt with. Mrs. Utman, retiring President, thanked the group for their co-operation during the past year.

Mrs. Ernest Carr, programme convener, took charge, and opened by reading "Far Away In Bethlehem," and hymn, "Away In A Manger," was sung, followed by prayer. Nancy Finkle and Donnie Carr each gave a recitation.

Mrs. Ralph Utman at the piano played and the group sang, "Hear the Pennies Dropping," as the children marched around the room and presented their mite boxes.

A pageant, "The Story Beautiful," was presented, and Mrs. Geo. Heasman sang a solo, "Blessed of God."

St. Paul's -- Carmel

(Continued from Page Three)
Ready for Christmas and ready for Him.

The foregoing was kindly furnished by Mrs. W. T. Elliott at our request.

The Official Board of the St. Paul's — Carmel Charge recently sent an order of service for use in each family circle on Christmas Day. It is hoped that this service will be widely used. It will help atmosphere the home and all who share in your family gatherings and bring God's blessing with it.

"Where two or three are met together in my name there am I and not to bless."

School Visits

It was our privilege to visit every class room in the Stirling School during December. The cordial welcome by both teachers and pupils was greatly appreciated. Our most valuable asset is our boys and girls. Let us take an awakened, personal and sacrificial interest in their welfare. In another column the report of the December examinations in Religious Education is given for the schools and classes regularly visited each week by the writer of this column.

Our educational leaders are unanimous on the urgent need for teaching the christian way of life in our schools.

A small boy envoy arrived at the Parsonage last week with an important envelope. "The pupils of Miss Huffman's Room say thank you Mr. Baker for our Christmas treat." A mysterious parcel is also under the Parsonage Christmas Tree with an eloquent address read by Deane Asselstine on behalf of the pupils of River-side School.

Sympathy

The sympathy of this Pastoral Charge is extended to Mrs. Everett Grills who was bereaved last week by the death of her father.

At This
Christmastide

May we rededicate ourselves to a greater fuller service to our community, to help enrich our own lives and those with whom we come in contact.

HOSPITALS know

Hospitals must be careful about their kitchens. Cooking utensils must meet the highest hygienic standards in food preparation. That's why hospitals use so many aluminum utensils. Aluminum is ideal in contact with food. And this food-friendly metal helps

prepare meals more easily because it heats so quickly and evenly. Millions of Canadian housewives enjoy these "aluminum advantages", too. They cook better, cook more easily and protect the flavour and quality of their food with aluminum utensils.

ALUMINUM
the metal of many uses
SERVES THE DOCTOR, TOO!

- Aluminum caps are used on blood plasma bottles.
- Aluminum capsules are used to protect serums.
- Aluminum jells are used in treating ulcers.

IN THE FOOD INDUSTRY, ALSO, aluminum continues its good job of protecting purity and quality. Chocolate bars, tea, butter, margarine and many other foodstuffs are wrapped in aluminum foil.

IN THE DAIRY INDUSTRY, milk pails and many parts of modern milking machines are made of aluminum. And when you see a bottle of milk with a gleaming aluminum foil top, you can be sure of purity well protected.

MRS. JOHN W. JOHNSON

Death came on Thursday, Decem-
ber 13th at another of the pioneers of
Mount Pleasant community in the per-
son of Mrs. John W. Johnson, formerly
Margaret Merrick, daughter of the late
Isaac Merrick and Lottie Linn.

Mrs. Johnson had always lived in
this community and she was almost
eighty-seven years of age. She was
given a birthday party by the local W.
M.S. on her 80th birthday and until
her health failed she quietly took part
in the community activities.

Mrs. Johnson had gone to Spring-
brook to visit her son about a month
ago and had been very ill there for
the past two weeks, but retained her
mental faculties until the last.

She is survived by one daughter,
Mrs. Henry (Etta) Farrell, Trenton;
three sons, Wilbur, Actinolite; Elwood,
Springbrook, and Harold, Stirling;
thirteen grandchildren and ten great-
grandchildren.

The funeral was held at Mount
Pleasant United Church on Saturday
afternoon and the edifice was filled
with relatives and friends. Her Past-
or, Rev. R. R. Bonsteel, conducted the
service and based his message on the
text, "I have finished my course." He
was assisted by Rev. H. E. Beare, of
Springbrook.

Mrs. Margaret McMullen sang by
special request "When They Ring the
Golden Bells For You And Me." The
hymns used were "Rock of Ages" and
"What A Friend We Have In Jesus."
Interment was made in the family
plot in Mount Pleasant Cemetery be-
side her husband who predeceased her
a few years ago.

The committal service was held in
the church and the bearers were six
grandsons, Messrs. Keith, Ralph, Ron-
ald and Donald Johnson, Stanley Wil-
liams and Gerald Morrison.

St. Mark's W.A.

The W.A. of St. Mark's Church, Bon-
arlaw, was held on Thursday at the
home of Mrs. W. J. Barlow with an at-
tendance of 17 members.

The President, Mrs. E. Heath, pre-
sided. Canon J. M. Brownlie opened

the meeting with prayer and the Lit-
any taken from the December issue of
The Living Message.

The Roll Call, "A Christmas Story,"
was well responded to. Mrs. George
Mumby read the Scripture Lesson.
The minutes of the last meeting was
read and adopted. The Treasurer's
report showed a bank balance of
\$226.20.

The W.A. are happy to have a pray-
er partner, the Rev. Douglas Fuller, of
Walpole Island. A letter from the
Diocesan Board was read by Canon
Brownlie. It was decided to donate
\$10.00 to the Bible Society.

Mrs. Brownlie read a lovely Christ-
mas story. Canon Brownlie closed the
meeting with prayer. A dainty lunch
was served by the hostess.

Eggleton W.M.S. And W.A.

The Christmas meeting of Eggleton
W.M.S. and W.A. was held at the home
of Mrs. Bert Reide on December 13th.
The President opened the meeting
with a Christmas Thought, followed
by hymn 51 and prayer by Mrs. C.
Bridges.

Mrs. W. Harlow read the Christmas
message taken from 2nd Luke, verses
1-20. Mrs. C. Fitchett read the com-
mentary based on the 11th verse. Mrs.
Maurice Clancy rendered a piano solo.
Readings were given by Mrs. Bert
Reide and Mrs. Harold Chambers.
Hymn 58 was sung. The regular busi-
ness period followed with very grati-
fying reports from the bazaar proceeds
were \$51.00 and birthday bank, \$7.45.
Collection for the meeting was \$3.05
and there were 11 members and two
visitors present. Hymn, "Silent Night"
closed the meeting and all repeated
the Mizpah Benediction. The hostess
and helpers served lunch.

Impressive Candlelight Service Held at St. Paul's United Church

Large Congregation Enjoy Portrayal of The Nativity— Baptisms in The Morning

Deep snow and undecided skies did not prevent a large congregation which overflowed into the church gallery and seventy juvenile chorists from sharing in a service of carols of many lands including English, Welsh, French, German, Dutch and Czech carols at St. Paul's, Stirling, last Sunday night.

Many beautiful voices were heard, some with more experience than others but several giving promise of budding soloists.

The church atmosphere was thrilling, the soft glow of triple orange heart-shaped candles in the windows combined with blending ornamental bulbs in the side-lights and gaily decorated and lighted trees, to fill the church (whose warmth and comfort was praiseworthy) with a Christmas glow. Over the entrance doors a Christmas decoration of lighted bulbs spelt, "Merry Christmas."

The opening organ prelude was followed by the professional French Carol "Masters In This Hall," when seventy chorists in glistening surplices over angel skin blue slips surmounted with scarlet hoods, the girls wearing silver tinsel bandeaus and each carrying an electric torch slowly moved down the great aisle to places in the choir and specially enlarged platform.

This proved too small and some adjustments were necessary. The organ postlude was preceded by the Recessional "Angels We Have Heard On High" the choir lining the east and west walls of the church to sing a verse of "Silent Night," and "We Wish You A Merry Christmas," before forming to march in pairs down the centre aisle to the rear stairway.

The Nativity

Mrs. Robert Luery and her infant son, Donald, added pageantry to the service. Her conception of the Virgin Mary was beautiful and the baby resting on the sweet hay in the rustic cradle gently rocked by his mother will be a treasured picture in memory's gallery. Two angels with majestic wings led the choral procession and flanked the Nativity scene. These were represented by Miss Ruth Fleming and Miss Patricia Bruce.

Among the solo voices heard in this service, of almost entirely new scintillating praise were, Misses Janet Reynolds, Grace Heasman and Wendy Warren in "O Little One Sweet," Masters Dale Hubble, Douglas Kane and Gary Rose with choir in "O Leave Your Sheep."

Ralph Carlisle, Carol Sleeper, Carolyn Belcourt and Patricia Fraser sang in the Sussex Carol, "On Christmas Night All Christians Sing;" Rose Ann Vandervoort and Muriel Morton with descant by Laura Jeffrey, Grace Heasman and Eva Marjorie Ketcheson sang "What Child Is This?"

The 16th Century Dutch Melody, "If We Would Hear," was sung by Janet Ann Good, Donna Carlisle, Patsy Donohoe, Sally Fox and the choir. Miss Joanne Heasman's lovely voice was heard in the opening verse of Luther's Christmas Eve Carol, "Babululeu," Miss Donald Heath and the choir sang verses of Handel's "Joy To The World." Heather Rodgers (Festival Gold Medalist) and the choir sang, "Lo! How A Rose."

The choir offered the quaint Welsh Carol, "No Gan." This was followed by the 16th Century German, "Susanne," in which verses were taken by Marjorie McCarten, Sandra West, Marilyn Rose, Jeannette Ayrhart with the choir singing the refrain. Laura Jeffrey and Marjorie Eva Ketcheson and the choir sang a 15th Century Carol, "Unto Us A Boy Is Born."

"Rocking," a Czech Carol of the Nativity was sung by a group of Juniors. Lines were taken by Mary Ellen and Fairlie Warren. The full choir shared with the congregation in several well known Carols and also interpreted Backs, "Jesu Joy of Man's Desiring."

Two special numbers not printed in the Carol Service Order were "Ring Ring Happy Bells," very creditably sung by Thelma Stewart and Linda Melkjohn (gold medalist), and "God Rest You Merry," in which a number of pupils from adjacent rural schools were heard. These young singers were John Sager, Sandra Melkjohn, Nettie Woodcock, the Coombes sisters, Diane Richardson, Allen Warren and Grace Clark. There is fine material in this group.

The congregational Carols were led

by the genial R. A. Patterson, who with the assistance of Miss Wendy Warren surprised the choirmaster with Christmas gifts from the choir. Rev. R. Bonsteel pronounced the benediction.

Sunday Morning

This planned Christmas service was marked by the dedication in the Sacrament of Baptism of two lovely baby boys, Donald Edward Luery, born July 5th, 1951, at Trenton, son of G. Robert Luery and his wife, Josephine Hucyke and James Roy Duffin, born July 9th, 1951, at Belleville, son of David O. Duffin and his wife, Evelyn J. West.

The music included the anthems, "Christians Awake Salute The Happy Morn," Mandels, and "The Glory of the Lord;" an Uncommon Polish Carol, "Born Is Little Jesus." A beautiful unaccompanied trio, "He Smiles Within His Cradle," in which the artistic blending of the trained voices of Mrs. Walter Warren (soprano), Mrs. A. E. Baker (alto) and Mr. William Aylsworth (bass) were heard. Taking heavy solo parts in the opening Anthem the lovely voice of Mrs. F. Jeffrey was a benediction. The ancient organ responded gloriously in a range of voluntaries which included selections from Bach's "Christian Oration."

The Afternoon At Carmel

With the inauguration of a Junior Choir singing a Christmas number under the devoted direction of Miss Susan Brown, and a delightful duet sung by Messrs. Dawn and Dale Hubble the Christmas service at Carmel was held. A lovely Christmas tree and decorations emphasized the Advent Season. A clean warm church fragrant with evergreens received the large congregation. Mrs. Arthur Pyear presided at the piano. The interest, fidelity and dynamic energy of this fine church woman is most praiseworthy.

CHRISTMAS AT ST. ANDREW'S

A most impressive Christmas service was conducted by Rev. W. H. V. Walker at St. Andrew's Presbyterian Church on Sunday morning last.

A special feature was the Christmas Manger Story, narrated and illustrated by Mr. Clayton Tummon, Superintendent of the Sunday School.

The Christmas Story was depicted in beautiful cut-out scenes and life-like figures including the stable scene with Joseph, Mary and the Babe, A. duet, "Away In A Manger," by the Misses Marilyn Eggleton and Arline Tummon added to the impressiveness of this scene. Then followed the pictures of the Adoring Child, the Shepherds and the sheep and the goats, the Wise Men and their camels and on the top the Star of Bethlehem. This proved to be a fascinating story for both young and old.

Special music was provided by the Junior Choir under the leadership of Mrs. Clarke Rodgers and a solo by Wm. Reynolds with Mrs. R. H. Williams at the console.

Holly adorned the altar of the church and with the Christmas trees, Christmas Carols and a short message in keeping with the Christmas season, made an impressive service.

The Holly was a gift from Mr. and Mrs. Earl Morrow and again St. Andrew's is very appreciative of this kindly gesture.

Girl Guides Hold Christmas Party

Splendid Programme Presented By Members Under Leadership of June Sleeper

The Stirling Girl Guide Company held their Christmas party on Tuesday, December 18th, with 48 Guides and little folk in attendance. Guides and little visitors opened with prayer and then the first part of the evening was devoted to games for the guests. This was followed by a program provided by the Guides and planned entirely by them under the leadership of June Sleeper. It was as follows:

Patsy Fraser, recitation; June Sleeper and Janet Anne Good, duet; Robert Vandervoort, recitation; Barbara Woodcock, tap dancing; Margaret Johnson, a Christmas story; Jeannette Ayrhart, solo; "O Little Town of Bethlehem; Marion Warren, Rudolph the Red Nosed Reindeer; Arlene Cox, recitation; Group of Guides, "White Christmas;" Sally Fox and Laura Jeffrey, dialogue, "In The Store;" Valerie Stewart, recitation; Mary Lou Faires and Ann Bolte, "It Came Upon The Midnight Clear; Rose Anne Vandervoort, a piano solo, "Silent Night;" Eleanor Bibby, "Oh Come All Ye Faithful," in Latin; Brenda Stewart, recitation; Wendy Warren, monologue, "Auntie takes Bobby shopping." This part of the programme was put on and arranged by the Guides themselves and was very capably done and very much enjoyed by their Captain.

Next came the Christmas tree for the little visitors, this was taken care of by Marilyn Hall who was ably assisted by brother David. Marilyn called the little visitors to the tree and David handed them their gifts, these gifts were provided by each Guide who had brought along a little gift. The Guides had a Christmas Pie, as the roll was called, each Guide went to the pie and pulled a string and out popped a plum of a Christmas gift.

Of course no party is complete without refreshments, least of all a Christmas party. The Guides had taken care of this too, each Guide bringing her own drink and sandwiches for her and her guests. All the Captain had to do was to supply the cake and with the aid of a very fine baker in town that was not too difficult a task, even though it was difficult to keep everyone from starting their refreshments. We did keep quiet while Janet Anne Good said the Grace for us all. We sat in a circle on the floor and enjoyed ourselves to the full. This brought to an end a very enjoyable evening and with very little trouble to their Captain. Another year when we are enrolled 2nd Class Girl Guides, we hope to be able to have parents and friends as our guests, but I am sure in looking over the programme provided by the girls themselves, you will note that in the not too distant future, Stirling will have much material for programmes for the various organizations. There is much versatility in the group and they were so willing to do their share to make the evening a success.

As a Company we would like to say a public "Thank You" to David Duffin, who so very generously gave the newly formed Company a helping hand and as Captain I would like to say thanks to all of the parents of the Guides who have helped them. We do need the co-operation of our parents, the churches and our Council. A very Merry Christmas to one and all from the 1st Stirling Girl Guide Company.

With collections, selling of cards, mite boxes and a donation from Mrs. Walter Barker of \$5.00 they have about \$80.00 to forward to the Missionary Funds. A Christmas story was given by Mrs. Harold Bird and a reading "Christmas Night." A piano duet was given by Sandra West and Jean Mayhew. Lunch was served of sandwiches, cookies, ice cream, candy and pop corn. Each child received a book mark and motto and the meeting closed with the benediction.

St. Paul's S.S. Christmas Concert

Last Friday happy faced children and their proud parents prayed the elements to throng St. Paul's Sunday School Hall for the annual Christmas Tree Party. The programme included recitations by Linda West, Brian Potter, Linda Mayhew, Hazel Bentley, Jane Bailey, Bill West, Pauline Stewart, Bob Bell, Brenda Stewart, Douglas Bird, Sandra Wannamaker, Robert Vandervoort, Ronald Hart, Paul Hart and Bobby Taylor.

Solos were sung by Master Robert Luery, Miss Janette Ayhrhart and Miss Marlene Carlisle.

Group choruses were presented by the class of Miss Adeline Bush. A pantomime, "On Christmas Eve," by Miss Ruth Donnan's boys class revealed most careful training. Skits by Miss Evelyn Lancaster's class, "The Nicest Present," and Mrs. H. Donnan's class, "It Is More Blessed," were seasonable. Mr. W. T. Elhott's class of boys presented a dialogue, "Johnny's Pa Plays Football." A most pleasing monologue, "Auntie Takes Bobby Shopping," was ably given by Miss Wendy Warren.

Santa arrived after a farewell number by Miss Evelyn Lancaster's class with a supply of tasty Christmas bags for every child present and an extra large chicken for the Parsonage family. Harold Hagerman, Supt., and the committee, Misses Good and Bush and their assistants are to be congratulated. Every teacher who took part is due a special vote of thanks.

Mount Pleasant

Despite bad roads and unfavourable weather a large number of folk attended the annual Christmas Concert staged by the pupils of Williams and Allan Schools under the directions of Mrs. Harvey Couch and Mrs. Gordon Richardson on Thursday evening at the Church Hall. Seasonable decorations and a lighted Christmas Tree added beauty to the various scenes as the children presented several choruses which included "Christmas Old St. Nicholas," "Deck the Hall with Holly," and various Christmas Carols.

There were exercises which included "As Children Like It," a couple of drills, the one an Elizabeth Folk dance a quintette, "Away In A Manger," also a recitation, duet and piano solo by

Individual pupils. The highlight was six dialogues quite interesting, the titles of which were, "Christmas Eve," "Rastus Rambles On," "Trouble At The Clinic," "Visiting The Sick," "The Practical Test," and "A Short Christmas Surprise."

Rev. R. R. Bonsteel was master of ceremonies and at eleven p.m. Santa made his appearance and helped distribute the gifts from the tree and he also gave each child in the two School Sections a bag of treats.

Mr. and Mrs. Earl Rutan and Marie, Kingston, arrived on Saturday to spend the Christmas Holiday week-end with Mr. and Mrs. Clifford Sine and Doris.

The funeral of Mrs. Ernest Cronk-wright, Plainfield district, formerly Effie Jane Sharp, Mount Pleasant, daughter of the late Mr. and Mrs. John Sharp was held in Mount Pleasant United Church on Friday afternoon. Her former Pastor, Rev. George Campbell, Wellington, gave the message using the theme "Greater love hath no one than this, that a person live their life for family and friends." The new Pastor of Plainfield Circuit, Rev. G. J. Ten Zijthoff, assisted with the service. A niece, Mrs. Marguerite McMullen sang, "Beyond the Sunset," by special request of the deceased. The congregation sang "Abide with Me."

The pallbearers were Messrs. A. Stevenson, Stirling; Kenneth Denyes, Bryan Casey, Harold Beatty, Lorne Brough and Arthur Sine, Plainfield.

Interment was made in the family plot in Mount Pleasant Cemetery.

The pupils of Williams School, under the direction of their teacher, Mrs. Harvey Couch, won first prize for their float, twenty-five dollars for Peter, Peter, Pumpkin Eater," at the Stirling Santa Claus Parade. A large number of folk from Mount Pleasant spent Wednesday afternoon in town despite the bitter cold.

Once again Christmas has come and gone. Nearly every home entertained some or all of their immediate families. The day was a bit dull as the sun chose to shine the day previous and the day after instead of Christmas Day. However, most of the folks were able to travel by motor car to their destination, but after the snow storm in the afternoon some of the roads were a bit heavy. Santa made his usual trip by Reindeer and had good luck delivering his parcels.

On Sunday morning at Mount Pleasant United Church Rev. R. R. Bonsteel gave a Christmas message.

Mrs. Marguerite McMullen rendered a solo while Misses Betty McConnell and Ruth Sharp sang a duet part in the anthem. The Sunday School held a White Gift Service previous to the Church Service and several of the children took a part.

Mr. and Mrs. A. A. Farrar, Trenton, who have been Summering in Florida, returned to Ontario for the ten-day holiday period. During that time they plan to have a Christmas meal with each of their family. On Sunday night they were dinner guests at the home of their daughter, Mrs. Milford Wrightman, Mr. Wrightman and family, of Mount Pleasant. They were accompanied by Mr. and Mrs. Oscar Farrar, of Frankford.

Young People Union Christmas Meeting

On Friday evening, Mount Pleasant S.P.U. held their Christmas meeting at the Church Hall under the direction of the President, Miss Ruth Linn. Christmas music was played quietly by Miss Betty McConnell and during the programme she also contributed a piano solo.

Several Christmas Carols interspersed the meeting which included, "Away In A Manger," and "Gentle Mary Laid Her Child." Mr. Ray Sharp read the Bible Lesson and Miss B. McConnell read a very appropriate story entitled, "The First Christmas Roses." The President closed the devotional with prayer.

Miss Ruth Sharp read the minutes called the roll of worship and she also contributed a piano solo. Misses Lora and Marilyn McConnell sang a duet. All enjoyed a sing-song of Christmas selections. The programme closed with "O Little Town of Bethlehem."

Mr. Ray Sharp conducted a contest and all enjoyed an exchange of gifts. At the close refreshments consisting of sandwiches, pickles, candy and coffee was served and the young people enjoyed a delightful half hour of fellowship.

Sunbeam Mission Band Christmas Meeting

On Sunday morning, December 16th, despite the cold weather the Sunbeam Mission Band held their Christmas meeting at Mount Pleasant United Church after Sunday School. The leader, Mrs. Herbert Smith, presided and the children all repeated together in unison, "Once In Royal David's City," and the "23rd Psalm."

Mrs. Roy Thrasher gave a special talk to the children, on the theme "Christmas Thoughts." She especially emphasized the fact that the word Christmas should never be abbreviated.

Master Roger Smith gathered the offering of over one dollar and dedicated it to Missions.

The children presented a very interesting exercise published in the November World Friends, entitled, "The Christmas Pudding," which pointed out the facts that good folk from other lands help to make our Christmas cheer, for instance, the raisin grew on a grapevine in Sunny Spain; the currants come from the Italian Islands in Greece; the dates from tall palm trees in Africa; almonds from the Jordan; pistachio from Peru; pean-uts from China; nutmeg from Moluc-

The service closed with repeating the poem in unison, "Help us to do the things we should," and prayer.

St. Andrew's W.M.S.

St. Andrew's Women's Missionary Society met on Wednesday afternoon at the home of Mrs. Harper Rollins. The President, Mrs. L. Rodgers, presided and opened the meeting with hymn 172. Mrs. Rodgers read the Scripture from St. Luke 2 and commented on the story. Rev. W. H. V. Walker led in prayer. The roll call and minutes of the last meeting followed.

The Treasurer and the Secretaries of the various branches of the W.M.S. submitted their reports for the year ending 1951. These reports showed that St. Andrew's W.M.S. had enjoyed a most successful year.

Mr. Walker, in a brief ceremony installed and dedicated the officers for 1952. The members were pleased to hear that the Mission Band is going to be re-organized under the leadership and guidance of Mrs. James Johnston, Miss Gena Spry, Mrs. Walter Rodgers and Mrs. Russell Woodbeck. Mrs. E. Reid, convener of the programme was in charge of the rest of the meeting. Hymn 165 was sung. Mrs. B. Hoard read "The Christmas Message To You." Let us open the door of our hearts, lips and minds at all times. Jesus waits outside the human heart. Jesus Christ and the power of His love has never departed from the way of life.

A piano solo was graciously given by Mrs. V. Matthews. Mrs. Reid, in a carefully prepared topic compared the birth, life and death of Jesus, with the life of ordinary man. The Christmas

Story was woven into the topic, together with the customs which were prevalent in those times. Mrs. P. Craighead gave a reading "There Will Always Be A Christmas."

At this time the members of the W.M.S. were very happy to have four of its very young ladies entertain them. Miss Janet Johnston played a piano solo, "Good King Wenceslas." A piano solo, "Away In A Manger" was played by Miss Carol Ray. Miss Lana Woodbeck recited "Christmas Greetings," and Miss Rosalyn Rodgers sang, "Away In A Manger."

Hymn 170 and the Benediction closed the meeting. A delicious lunch was served by the hostess and her assistants. Miss Gena Spry expressed the appreciation of the Society to Mrs. Rollins and assistants.

Fanning lit the second candle of good will and friendship for the Canadian Indians, many of whom worship Christ the new born king. Mrs. Chumbley lit the 3rd candle for the friendship and good will of the French Canadians who worship with us in the universal Church of Jesus Christ. Hymn, "Oh Come All Ye Faithful," was sung. Mrs. Graham lit the candle of good will and friendship for those whose ancestors came from faraway countries to make new homes in Canada and worship with us in singing Christmas Carols. "Away In A Manger," was sung.

Mrs. Clifford Clancy lit the next candle for good will and friendship for all who came to Canada from war devastated lands of Europe. Miss Emma Rainie lit the 6th candle for Christian love. Mrs. John Carlisle gave an interesting reading entitled, "Christmas Briefs." A genuine Christmas must have Christ in it. The meeting was closed with prayer by Rev. Bonsteel. A bountiful lunch was served by the hostess and her assistants and a vote of thanks tendered her for kind hospitality.

St. Paul's W.M.S.

The Christmas meeting of St. Paul's Missionary Auxiliary was held in the Church School Room on the afternoon of the 11. Mrs. R. Christie presided. Twenty members responded to roll call.

After the usual opening routine, the annual reports were presented by the department secretaries. Mrs. A. Armstrong has arranged for copies of the Missionary Monthly to be placed each month in the offices of Drs. Cornett and Vandervoort. It will be interesting to know how many patients read some of these little magazines.

Mrs. E. G. Bailey presented the slate of officers who will be installed at the January meeting. Mrs. Morley Ayrhart and Mrs. S. Williams will be the Community Friendship representatives for the west end of the village and Mrs. George Pollard and Mrs. A. Gordianer, the east end.

The theme of the worship service was, "Joy. Mrs. George White read in story form of the appearance of the Angel Gabriel unto Mary and his announcement that a child would be born to her of the Holy Spirit and that she should name him Jesus, which means salvation. St. Luke 1: 26-49.

Mrs. S. Williams told of the dream of Joseph in which an Angel informed him of the coming birth of Mary's child; how later he and Mary journeyed to Bethlehem to be taxed, the birth of the baby and the visit of the shepherds. St. Matthew 1:18-25.

Miss Mildred White related the incident of the star and the Wise Men. St. Matthew 2:1-23.

Mrs. Carleton Wright's message to her listeners was one of inspiration. In closing she said, "There are no hands but our hands to carry the glad tidings to those who know. These are no lips but our lips to tell the message of salvation to a sin-sick world. There are no feet but our feet to take the divine message to the unsaved. For God so loved the world that He gave His only begotten Son that who so ever believeth on Him shall not perish but have eternal life." Mrs. R. Stapley's solo, "I Heard The Bells At Christmas Time," was in keeping with the worship theme.

"The Church of the City Frontiers," third programme of the Study Book, was reviewed by Mrs. A. Armstrong. Through its Board of Home Missions the United Church of Canada maintains 16 city mission centres engaged in rescue and redemption work. The most of this work is done in the downtown industrial and factory regions where men and women are untouched by any church and in a fair way to becoming pagan.

Three of these 16 centres will be used as examples. In Halifax, Brunswick Street Church is a downtown centre within a stone's throw of the docks. It used to be an area of wealth and prestige, but now it is marked by deplorable housing conditions and poverty. The people of this district need the help of their fellow men through the church. In it they enjoy a new found sense of dignity and power. Brunswick Church has re-adjusted its programme entirely to meet the needs of a changing environment. Every boat load of new comers is welcomed and befriended by one of several experienced workers.

A different type of church centre is the Fred Victor Mission in downtown Toronto. Redemptive work is carried on among some of the most unfortunate of the land — the poverty-stricken, the alcoholics, victims of vice, crime, gambling, every form of sin and evil to be found in a great city. A citation to Rev. Wesley Hunnisett from the city council of Toronto, recognized his very fine work as Superintendent of the Mission and his great contribution to the public weal of the city in carrying on the operation of a men's hostel in St. Lawrence Hall during the winter season of 1949-50.

In Winnipeg we see that here too, the expansion of industry and the increase of population warrant 8 or 9 new churches in the city alone.

First United Church, Vancouver, is another example of need for church ex-
